A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

## Living in Middlesbrough

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as be a pleasant place to live. So here's some useful information about the area around Clairville Grange.

### Leisure & Recreation

Set alongside Albert Park, over 70 acres of recreational space with a boating lake, café, roller skating and other sports facilities, Clairville Grange is also within a ten mile drive of the vast, varied environments of the North Yorks Moors National Park. The superb new Middlesbrough Sports Village, a state-of-the-art facility with an athletics stadium, floodlit pitches, gym and fitness studios, a velodrome, play area and other top-level resources, is located just over a mile away, adjacent to the popular Middlesbrough Cycle Circuit, a one-kilometre indoor track. Other outstanding amenities in easy reach include the water sports facilities at the Tees Barrage International White Water Centre, and the recently restored Preston Park Museum and grounds, where the historic collection is accompanied by a nature reserve, Butterfly World, a small-gauge railway and a host of other attractions. Sporting venues include Riverside Stadium, the home ground of Middlesbrough FC.

### Recycling Facilities

The recycling site at Binks Street, around fifteen minutes walk away, provides facilities for most household waste including glass, cans, paper and card, plastic bottles and shoes.

### Education & Health

Schools within walking distance of Clairville Grange include St Joseph's RC Primary, adjacent to the development, and Breckon Hill Primary. Newlands Medical Centre is located on Borough Road, less than ten minutes walk from the development, and there are several dentists within around half a mile. The highly respected James Cook University Hospital, where the round-the-clock Accident and Emergency department is regarded as one of the country's best, is just fifteen minutes walk away.

## Why Miller?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
