Village Green

Phase 3

Welcome to Millers Green

The quiet, tree-lined streets, footpaths and green recreational areas of Millers Green offer a welcome change from the pace of city life. Living in Heysham

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as be a pleasant place to live. So here's some useful information about the area around Millers Green.

Recreation

Millers Green has access to an exceptional choice of both land and water-based activities. Close to beaches, sailing and water-sport facilities, it is also convenient for some of England's finest scenery including the Yorkshire Dales and the Lake District with their superb resources for the walker, climber or cyclist. There is an area of protected natural habitat with a wonderful diversity of flora and fauna just a few minutes away, offering endless opportunities for bird watching or just enjoying the atmospheric woodlands, while the more organised local sporting amenities include a swimming pool, floodlit sports pitches and a fine 18-hole golf course.

Entertainment

Heysham Heritage Centre presents both permanent and changing exhibitions that give a good introduction to the Anglo-Viking history of the area, and there are many fine old buildings in the village, including a 16th-century pub with a beer garden. Nearby Morecambe provides an assortment of more modern entertainments, such as clubs and discos, a multi-screen cinema, 10-pin bowling, futuristic laser adventures at Morecambe Megazone and live music at The Platform and The Dome.

Shopping

Millers Green is close to shopping areas on Heysham Road and in the village centre which cater for all everyday needs. The short trip into Morecambe or Lancaster, around four miles away, opens up a comprehensive choice of high-street names, specialist stores and a traditional covered market open four days a week.

Education and Health

There are a number of primary schools all within around a mile of Millers Green. Heysham High School Sports college is less than two miles away.

The nearby Health Centre in Middleton Way is staffed by three doctors offering a comprehensive GP service, and there are several other medical practices, a dental surgery and a pharmacy in easy reach.

Transport

The M6 gives easy access from Millers Green to Manchester, Preston and Liverpool, and there is a train station at Heysham Port, around a mile from the development, with services to Lancaster and the national network. Ferry services operate from the port to Ireland and the Isle of Man.

Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Sales Adviser and confirmed with solicitors.

Why Miller?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
