Allestree**

millerhomes

the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

The pleasant, almost rural setting of Kedleston Grange contrasts with the convenience of its location. Just a short walk from the main campus of the University of Derby, the development is around a mile from the A38 Queensway, offering easy access to destinations throughout the Midlands, and two and a half miles from the rich assortment of theatres, cinemas, galleries, restaurants and nightlife in and around Derby city centre. Frequent bus services linking Allestree with Derby stop in Allestree Lane, around ten minutes walk from the development, and direct rail services from Derby operate to Sheffield, Bristol, Cardiff, Birmingham and other destinations including London St Pancras, just over an hour and a half away.

On the edge of the sought after suburb of Allestree, with countryside stretching to the west and the magnificent Kedleston Park a short walk away, this exciting selection of energy efficient two, three, four and five bedroom homes and one and two bedroom apartments has been conceived to create a diverse, beautifully landscaped and highly desirable new neighbourhood combining excellent transport links and amenities with a real sense of place. Welcome to Kedleston Grange.

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference
We’re enormously proud of the homes we’ve been building for the last 85 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust
For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can
We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards
We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 85 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved
First you’ll meet your sales adviser who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place
We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We provide a unique mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future
For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

The area has an excellent choice of shops, takeaways, hairdressers and other services. A Co-op Food and a Premiere convenience store, both around five minutes' walk away, provide most daily essentials, and a small precinct a little further on at Blenheim Parade includes a Tesco Express, a newsagent, a delicatessen, a pharmacy and another Co-op. Park Farm Shopping Centre, less than a mile away, incorporates more than 50 retailers, from national chains to local independent traders and a post office. It is also the site of Allestree Library, a Choices Health Club with a well-equipped gym, a large medical practice and an optician. There is a second medical practice and a dental surgery adjacent to the Centre.

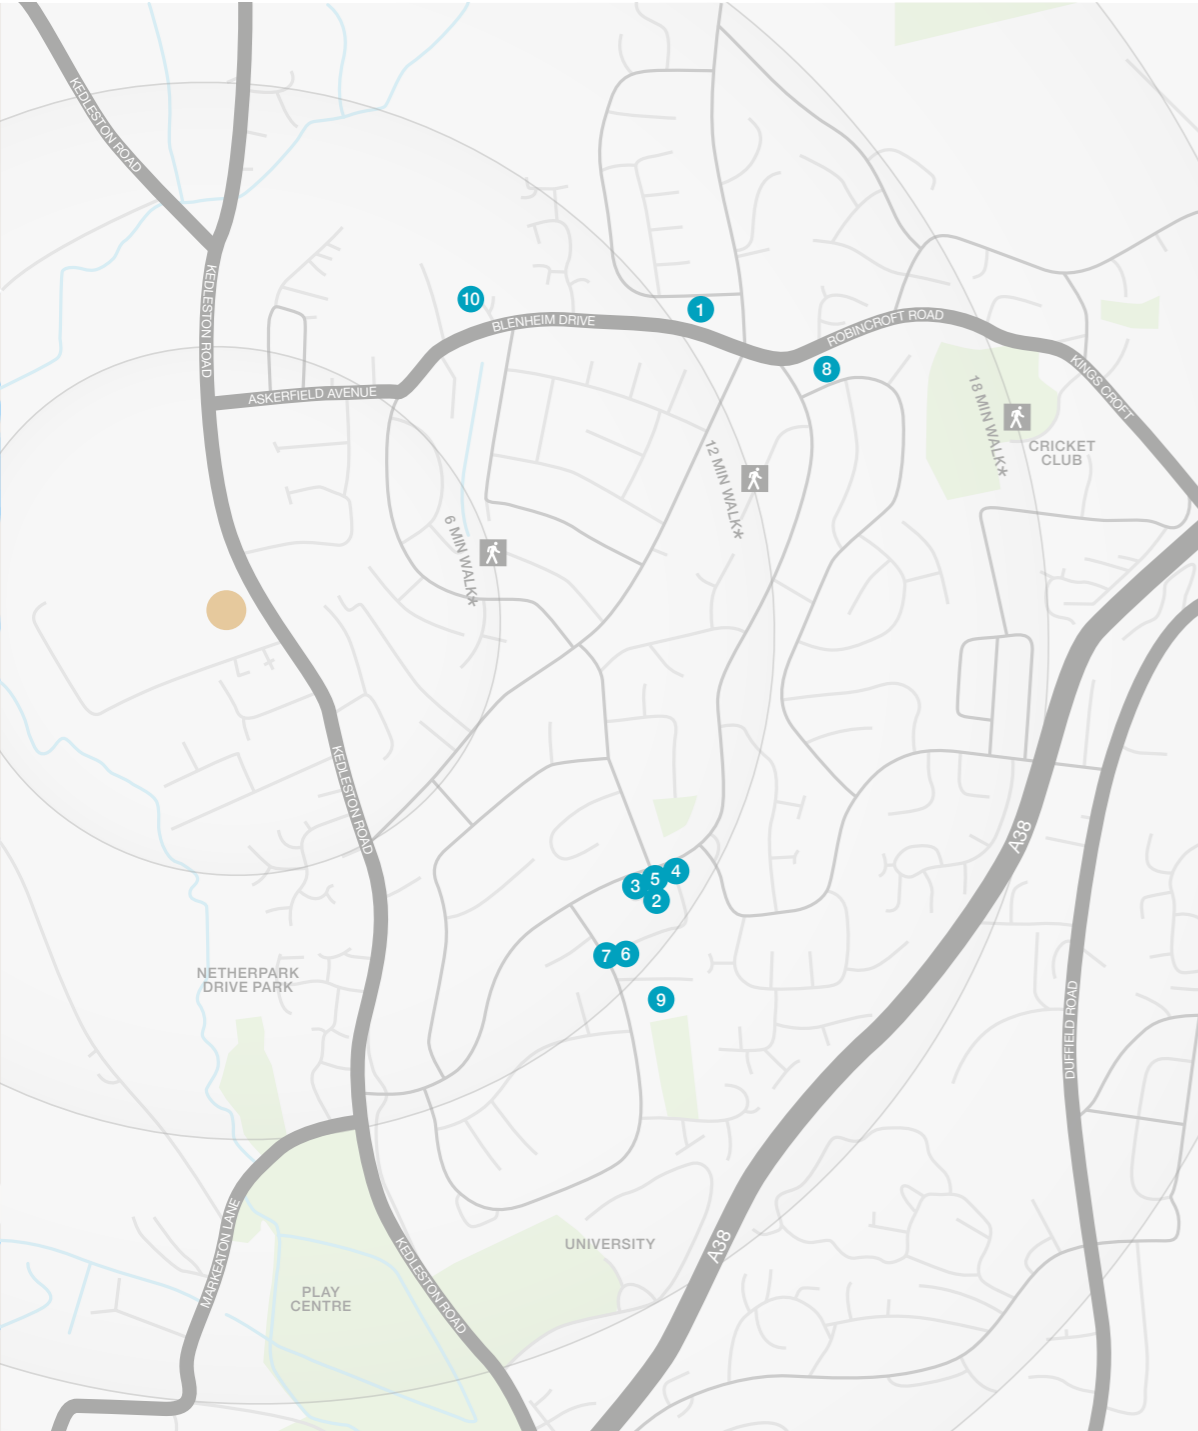

Allestree's two primary schools are both within a short walk of Kedleston Grange. The nearest, Portway Junior School, is assessed by Ofsted as 'Good', and Lawn Primary, located beside the Park Farm Centre, is acclaimed by Ofsted as 'Outstanding'. For secondary education, Allestree Woodlands School is just 600 yards from the development.

The excellent choice of nearby pubs includes the delightful, traditional Joiners Arms at Quarndon Village, around ten minutes' walk away, and there are several restaurants in easy reach. The area is also particularly rich in green spaces and outdoor leisure amenities. The magnificent Kedleston Park, north west of the development, offers endless opportunities for walking through ancient woodlands and beside the lake with its fascinating wildlife. The Park includes the spectacular Kedleston Hall, an 18C Adam mansion, as well as a golf club with a challenging par 72 course. Allestree Park, to the west, also has a lake, woodlands and a golf course, and the popular, family-friendly Markeaton Park lies to the south.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products, like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
