

Why Miller?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Living in Derbyshire

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Langley Country Park.

Education & Health

Kirk Langley primary school, a small village school that has won a number of awards for its basic skills and literacy teaching, occupies a delightful Victorian building around two miles from the development.

For secondary education, the development is in the catchment area for The Ecclesbourne Secondary School, Duffield, described by Ofsted as an outstanding school providing an exceptionally high quality of education and care.

There is a large full-time medical practice in Cavendish Way in Mickleover, around two miles away, and a choice of dental surgeries within a short walk.

Transport

Bus services into Derby city centre run from Ashbourne Road and Prince Charles Avenue, both around five minutes walk from Langley Country Park. Derby station has direct trains to London St Pancras International, a journey time of around an hour and three-quarters, as well as to Nottingham, Leicester, Leeds and Birmingham, just three-quarters of an hour away by rail. East Midlands Airport is around half an hour's drive from the development.

Arts & Entertainment

Within the local area, Mickleover Community Centre hosts a wide range of activities ranging from dance and fitness classes of various kinds to arts and crafts, choral singing and local markets. Derby offers a wide spectrum of activities, from acclaimed drama at Derby Theatre to national touring shows at the Guildhall, and cinema at the Quad. There are 30 cinema screens in Derby, and more than 100 bars in the central area alone. The city centre has been awarded the coveted Purple Flag, an independently-assessed mark of the quality, diversity and safety of its evening and late-night amenities and attractions.
