A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Living in Marske-by-the-Sea

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Beaconfield Rise.

Two minutes' drive from the A174 Marske Bypass (the southern boundary of Beaconfield Rise overlooks the A174) and ten minutes walk from Marske village centre, Beaconfield Rise combines the appeal of a semi-rural location with exceptional convenience for travel throughout the North East. Redcar, Saltburn and Middlesbrough are within easy reach. From two stations, Marske and Longbeck, just a few yards away, trains to Saltburn, Middlesbrough and Darlington run approximately every half hour, reaching Redcar in 9 minutes, Middlesbrough in around 20 minutes and Darlington in 50 minutes. Local buses link Marske, Redcar, Guisborough and Middlesbrough, and the EuroVelo cycle national coastal circuit passes around a mile to the east.

Welcome home

Bounded by open countryside, less than 20 minutes' walk from beautiful beaches and in easy reach of the North Yorks Moors, this attractive new neighbourhood of energy efficient, three, four and five bedroom homes has a peaceful, welcoming ambience. Close to the A174, just yards from the train, bus links and a short walk from the village amenities, it also offers outstanding convenience and a real sense of community.

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

your home
your way...

There is a garden centre a few yards from Beaconfield Rise, a petrol station and convenience store off Longbeck Road, five minutes walk away. The wide selection of village shops around the High Street includes a Co-op food store, Sainsbury Local, a delicatessen, a family butcher, bakers, a pharmacy, hardware shops, a post office, and hair and beauty salons. There is also a choice of cafés, pubs and food takeaways. The short trip into Redcar brings a choice of high street stores including fashion, sports and technology brands, as well as an open-air market held every Wednesday.

The superb beach, one of the gems of the North East coast, extends to Redcar in one direction and Saltburn by the Sea in the other, and between them the three communities present a wide choice of activities. Saltburn's golf club, Leisure centre with gym, swimming pool and celebrated miniature railway, are complemented by Redcar's cinema and racecourse. Marske's volunteer-run Leisure Centre, hosts live concerts, fitness classes and community events. The village also has a local museum, a library and active football and cricket clubs, the latter hosting occasional live music events. Both the coast and the wonderful North Yorks Moors are also within easy reach.

There are three primary schools within around ten minutes walk of Beaconfield Rise, and Marske's secondary, Outwood Academy Bydales, is assessed as 'outstanding' by Ofsted. Further secondary schools in Redcar and Saltburn also serve the village. Two dental practices are located near the High Street, and Zetland Medical Practice, located in Windy Hill Lane on the eastern edge of Marske, is a full time surgery with full nursing support.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
