- 08 Welcome Home
- 10 Plot Information
- 12 Floorplans
- 40 The Miller Difference
- 44 Useful Contacts
- 46 How to Find Us

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Bishops Walk.

Just half an hour's walk from the centre of Durham, Bishops Walk is also ideally situated for travel throughout the north east. A1(M) junctions 61 and 62 are both within ten minutes' drive, and Durham Station, less than two miles away, is on the Edinburgh to London Kings Cross line. Trains reach Newcastle in less than 20 minutes and London in under three hours. Several bus routes pass Bishops Walk, providing frequent links to the city centre, the Durham coastline, Hartlepool and Sunderland, and National Cycle Route 14 runs alongside Bishops Walk, offering access to the city centre.

Bishops Walk benefits from an exceptional range of shops and services. As well as local convenience stores and food takeaways, there are Aldi, Iceland, Lidl and Tesco stores, Boots, and a choice of major home and furnishing retailers within a few minutes' walk. Half a mile away, Durham City Retail Park includes B&Q, Currys and B&M outlets alongside restaurants and gyms. In contrast, Durham's beautiful, historic streets are lined with traditional local shops, pubs and restaurants, and the Market Hall, hosting more than 40 retailers, is complemented by an outdoor Saturday market.

Welcome  
home

Beautifully located alongside open countryside on the edge of Durham, with excellent local services and in easy reach of the A1(M), this inviting selection of energy efficient two, three, four, five and six bedroom homes combines peaceful surroundings with exceptional convenience. Bringing an exciting new neighbourhood into a historic, cosmopolitan city, it presents a rare opportunity to settle down in a community with a real sense of place and character. Welcome to Bishops Walk...

# The Miller Difference

your home  
your way...

**The Miller Difference**  
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

**Shaped around you**  
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

**Built on trust**  
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

**Helping where we can**  
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

**Pushing up standards**  
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

**A smooth customer journey**  
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

**With you every step of the way**  
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

**Fully involved**  
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

**Make it your own**  
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

**A place to grow**  
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

The area is rich in parks and gardens. Broom Hill, Pelaw Woods local nature reserve and the celebrated Old Durham gardens can be reached from the development by a pleasant footpath, and further paths through Great High Woods lead to Durham University Botanic gardens. The city's sculpture and heritage trails provide an excellent introduction to the locality, and the seaside attractions of the Durham Coast are in easy reach. Ramside Golf Club is less than ten minutes' drive away, and local gyms include a Bannatyne Health Club and Spa near Durham City Retail Park. The cosmopolitan choice of museums, galleries, theatres, sports and music venues, reflecting Durham's status as both a tourist destination and university city, is complemented by excellent restaurants and bars, and Durham hosts several annual festivals, from music and theatre to the famous Miners' Gala.

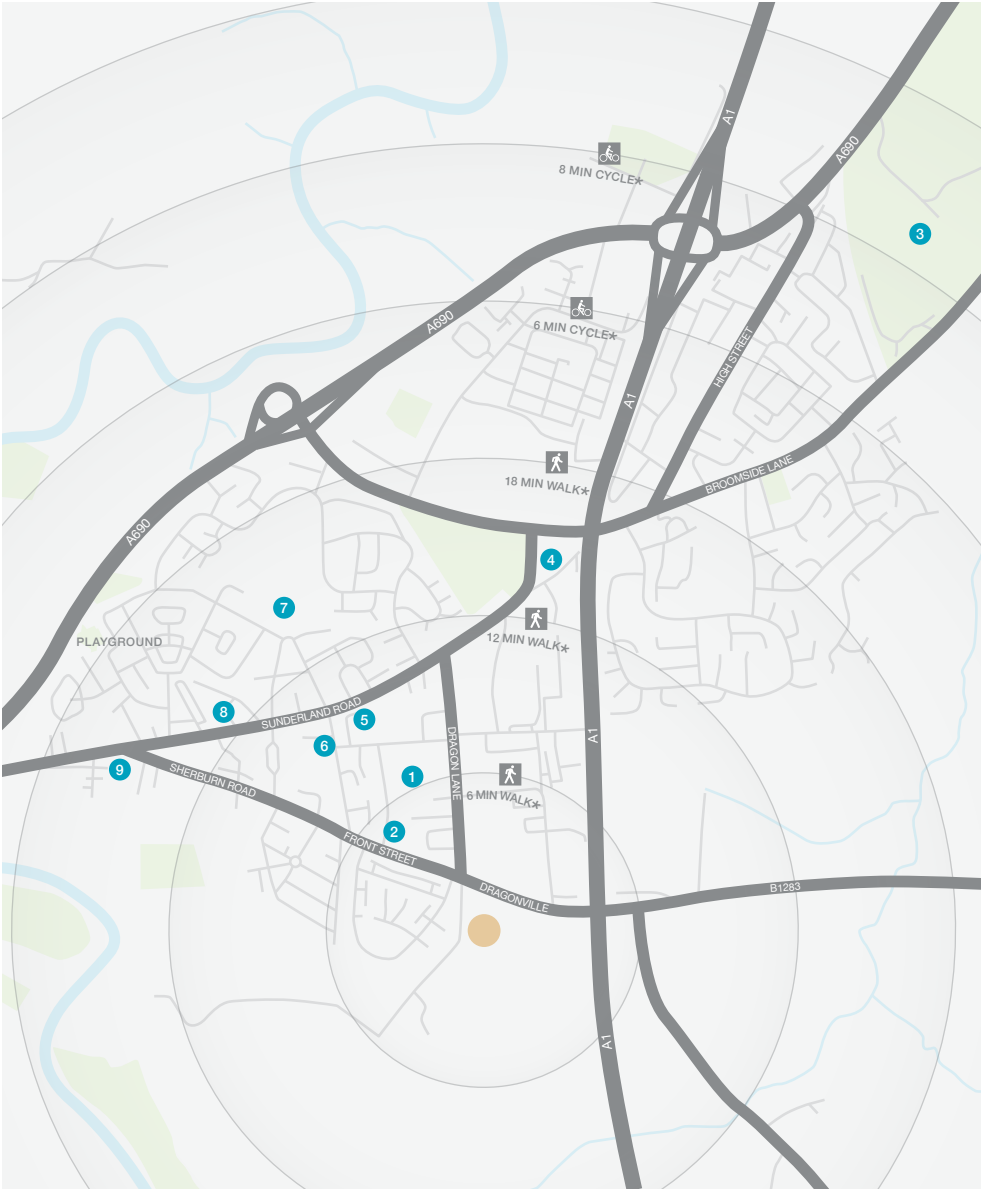

Schools within fifteen minutes' walk include St Hilde's College C of E Primary and St Joseph's RC Primary, and Durham Gilesgate Primary is just a little further away. Secondary schools include Durham Johnston Comprehensive, to the west of the city, assessed as 'Outstanding' by Ofsted, and there is a convenient branch of the Dunelm Medical Practice, and a Bupa Dental Care surgery, in Gilesgate, three-quarters of a mile away.

# Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

\* Times stated are averages based on approximate distances and would be dependent on the route taken.  
Based on:  
0.5km = 5 to 7 mins walk  
1.0km = 10 to 14 mins walk  
1.5km = 15 to 21 mins walk  
2.0km = 5 to 8 mins cycle  
2.5km = 6 to 10 mins cycle

# How to find us

For development opening times please refer to [millerhomes.co.uk](http://millerhomes.co.uk) or call 03301 620 630

**From the A1(M) southbound**  
Leave the A1(M) at junction 62 to join the A690 for Durham. Stay on the A690 for one and three quarter miles, then at the Gilesgate Roundabout take the first exit, joining the A181. After 600 yards, at the Queens Head pub turn right into Sherburn Road and, three quarters of a mile on, Bishops Walk is on the right.

**From the A1(M) northbound**  
Leave the A1(M) at junction 61 and take the fourth roundabout exit, following signs for Peterlee via the A688. Stay on the A688 for two and a half miles, then at the junction with the A181 take the first roundabout exit, for Durham. Just over half a mile on, turn right for Durham Gilesgate and stay on the A181 for another three quarters of a mile. At the T-junction turn left, and around 400 yards on Bishops Walk is on the left.

**Important Notice:**  
Although every care has been taken to ensure the accuracy of all the information given, the contents do not form part of any contract, or constitute a representation or warranty, and, as such, should be treated as a guide only. Interested parties should check with the Development Sales Manager and confirm all details with their solicitor. The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
