

LAMBTON PARK

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Introducing an outstanding selection of magnificent one, two and three bedroom apartments and three, four and five bedroom homes set within the historic Lambton estate and buffered by its mature woodland. This exceptional new neighbourhood combines its peaceful, semi-rural ambience with easy access to the motorway network, Durham and Tyneside. Miller Homes at Lambton Park is amongst the most enviable new developments to become available in recent years.

These exquisite properties have been sympathetically designed by renowned architect and interior designer, Ben Pentreath to be in keeping with the history of the estate and will complement the outstanding natural beauty of the existing estate.

The peace and seclusion offered by Lambton Park contrasts with its exceptional convenience. These superb homes are just two miles from junction 63 of the A1(M) and around 20 minutes' drive from Durham, Tyneside and the beautiful north-east coast. The towns of Chester le Street, Houghton le Spring and Washington are all within approximately three miles of the development, and trains from Chester le Street serve Newcastle, Liverpool and Manchester, as well as the Metrocentre in Gateshead. The local Connections4 bus service, running every ten minutes between Houghton le Spring and Heworth Metro Station, stops a few yards from Lambton Park.

Bournmoor Primary School, a few minutes walk from Lambton Park and rated 'Good' by Ofsted, is one of several primary schools in the area, and high schools include Park View Academy situated close to Riverside Park in Chester le Street. There is also a choice of co-educational and single sex private schools in Durham, Newcastle and Sunderland.

With a heritage stretching back to the 11th Century and a distinct sense of place, Lambton Park, the ancestral seat of the Earls of Durham, is one of the most intriguing historic places in the region.

The Lambton family are one of the oldest in the region and the history, landscape, buildings and archaeology of the Park, capture the story of the region.

Whilst Lambton Park has remained relatively private over the years, there will be many in the region who associate it with fun filled family days out.

As a key part of the growing community, there are a number of local retail units to support the growth of the estate which could consist of a cafe, butchers, bakers, delicatessen and convenience store.

We’ve been building homes since 1934, that’s three generations of experience. We’ve learned a lot about people and that’s made a big difference to what we do and how we do it. We’re enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don’t stop caring once we’ve finished the building, or when we’ve sold the house, or even once you’ve moved in. We’re there when you need us, until you’re settled, satisfied and inviting your friends round.
