the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Create your perfect home

The great thing about buying a Miller home is that you are able to make it your own from the very beginning. Once you've reserved your home, you can start thinking about how you'd like things to be and even make a few decisions before you move in.

It could be a simple item such as an additional electrical socket or maybe you want to add flooring or fitted wardrobes. Whatever you choose it can be provided before completion of your new home, so you avoid any future disruption.

You may already have some ideas about what you want for your home. Or maybe you're looking for some inspiration. Our award winning specification provides the perfect place to start. Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. But that is just the beginning. We have a large range of options and extras that you can consider.

When it comes to getting the details right, we're committed to quality throughout. We only work with high-quality brands, Symphony for kitchens, Porcelanosa for ceramic tiles, Ideal Standard sanitaryware, Vado fittings and the opportunity to select Zanussi or AEG appliances.

From sleek, designer kitchens to cool, contemporary bathrooms, down to the fine details of tiles and taps, there's plenty to fire your imagination and suggest a whole range of possibilities for you to create a unique living environment.

Important Notice: Although every care has been taken to ensure the accuracy of all the information given, the contents do not form part of any contract, or constitute a representation or warranty, and, as such, should be treated as a guide only. Interested parties should check with the Development Sales Manager and confirm all details with their solicitor. The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors.

Set beside open countryside on the edge of South Newsham, a few minutes walk from local shops and services and just two miles from the amenities and attractions of Blyth, this inviting neighbourhood of energy efficient three, four and five bedroom new build homes for sale is perfectly situated for travel throughout the north-east. It combines strategic convenience with exceptional access to the beautiful beaches of Northumberland's celebrated coastline.

Welcome to Longshore Village...

Ten minutes drive from the A1, and less than two miles from the A189, Longshore Village is a superb base for travel throughout Tyneside, as well as for exploring the countryside and coast of Northumberland. Newcastle and Gateshead are around half an hour's drive away, and frequent buses between Blyth and Newcastle stop just outside the development, travelling via Cramlington and reaching Newcastle Haymarket bus station in less than 40 minutes.

A shopping precinct around ten minutes walk away includes a large licensed Co-op, two convenience stores, a Boots pharmacy and several takeaways. Blyth town centre has a variety of shopping environments. Traditional streets, where retailers sit side by side with pubs, cafés and restaurants, contrast with the Keel Row covered mall. A historic open air market, with stalls ranging from books and plants to crafts and fresh produce, is held on Fridays and Saturdays and complemented by a Wednesday flea market and, at the delightful Boardwalk, retail pods inspired by Blyth's beach huts provide an outlet for local entrepreneurs.

The Phoenix Theatre in Blyth presents an eclectic programme of drama, comedy, music and variety, and there is a Vue Cinema and a leisure centre, Concordia, with a bowling alley, a climbing wall, a leisure pool and a gym just three and a half miles away in Cramlington, beside the Manor Walks shopping and leisure centre, home to more than 100 stores.

Longshore Village is in the catchment areas for New Delaval Primary School, fifteen minutes walk away, which also caters for pre-school children from age two, and for Bede Academy, a secondary and sixth form school specialising in engineering and enterprise. Both are assessed as 'Good' by Ofsted. The GP practice at Newsham Surgery, a few minutes walk away, is part of the Railway Medical Group. It opens three and a half days each week.

Local leisure amenities include Blyth Sports Centre where three pools, a gym, a sauna, a sports hall and squash courts are complemented by a soft play area for children. What makes Longshore Village really special, however, is the wealth of outdoor attractions nearby, from the adjacent park and children's playground to the superb expanse of Blyth Beach, a 25 minute stroll away. South Newsham Playing Fields, the delightful tree-lined nature reserve at Newsham Pond, the challenging and mature course of Blyth Golf Club, and the sports facilities at the Miners Welfare Park are all within a few minutes' walk.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
