millerhomes

the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Roman Fields.

Sheltered by a band of mature trees, Roman Fields is just a few yards from the A69 Corbridge Bypass, bringing Newcastle Airport and central Newcastle within approximately 20 and 25 minutes drive respectively. Trains from Corbridge Station, less than a mile away, reach Newcastle in around 40 minutes, stopping en-route at the MetroCentre, Europe's largest shopping mall. Some services carry on to Carlisle in the west and Middlesbrough in the east. Buses between Hexham and Newcastle also pass through the village, with many services stopping a few yards from Roman Fields.

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

Surrounded by open countryside, the village enjoys excellent outdoor amenities including scenic walks along the Tyne, the town park and playground at The Chains, and the celebrated Roman ruins. Corbridge is also close to some of England's finest natural attractions, with Kielder Forest, Kielderhead Nature Reserve and Northumberland National Park to the north, and the North Pennines AONB to the south.

The shops in the village are interspersed with cafés, restaurants, pubs and other services in the picturesque streets and Market Place. As well as a large Co-op store, there are delicatessens, a bakery, a newsagent and post office, a pharmacy, fashion, gift and book shops, hairdressers, fashion boutiques, antique specialists and other services. The wider choice in Hexham can be reached by car, bus, train or a pleasant three-mile walk along the River Tyne.

Local and community activities range from rugby, cricket and tennis clubs to talks and film screenings at the Parish Hall and regular author visits at the Forum Bookshop, as well as a series of annual festivals. Fitness facilities, including swimming pools and a gym, can be found at Wentworth Leisure Centre in Hexham, and Hexham also has a theatre and arts centre, a community-run cinema and two golf clubs.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Corbridge First School, for children from age five, is within a few minutes walk of Roman Fields, and Corbridge Middle School, for ages nine to 13, is adjacent to the development. Both are assessed as 'Good' by Ofsted. Corbridge is in the catchment area for the highly-respected Queen Elizabeth High School and Performing Arts

College in Hexham. The village also has excellent health provision. Corbridge Medical Group, a six-partner GP practice based in the centre of the village, was evaluated as 'outstanding' in its delivery of care for the local community, and there are two dental surgeries within approximately ten minutes walk of Roman Fields.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
