A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live.

Just yards from the charming Westoe Village in one of the most prestigious, sought-after areas of South Shields, this beautiful, tree-lined selection of energy efficient three, four and five bedroom homes stands on the historic location of South Tyneside College and the Marine School, a training ground for generations of seafarers. Combining excellent transport links and local amenities with immense local character, it presents a very special residential opportunity.

Welcome to Scholars Park at Westoe Village...

Around a mile from both the River Tyne and the beautiful north east coast, the site of Scholars Park was once the largest training ground in the UK for naval education. Sailors of all ranks and many nations began their careers here. While Westoe is now integrated into the greater Tyneside travel network, the heart of the village, with its abundance of green spaces, is still a vibrant reflection of its history as home to generations of students. The lush, tree-lined streets offer a wide selection of shops and services, from supermarkets and convenience stores to a cosmopolitan choice of cafés, bars and takeaways. A Post Office around fifteen minutes' walk away is complemented by a drop-and-collect facility less than half a mile from the development.

Scholars Park is just three miles from the A19 and within 25 minutes' drive of Newcastle and Sunderland, and well served by local buses. For travel further afield, Metro services from Chichester Station, half a mile away, run every fifteen minutes and reach Gateshead in 22 minutes and Newcastle in 24, carrying on to Whitley Bay, Tynemouth and North Shields. The ferry terminal for the half-hourly, seven-minute trip across the Tyne to North Shields is less than half an hour's walk from Scholars Park.

It is always special to live close to the sea. When the coast is as beautiful as this, with its magnificent beaches and vast expanses of green parkland and rocky inlets, it brings pleasures that change with the seasons and the weather. At Scholars Park, miles of invigorating walks, with endless opportunities to relax in an eclectic choice of pubs, cafés and restaurants, such as Colman's celebrated Seafood Temple or the award-winning Sand Dancer pub, are all virtually on the doorstep.

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation. Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help. From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it. And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space. At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community. By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

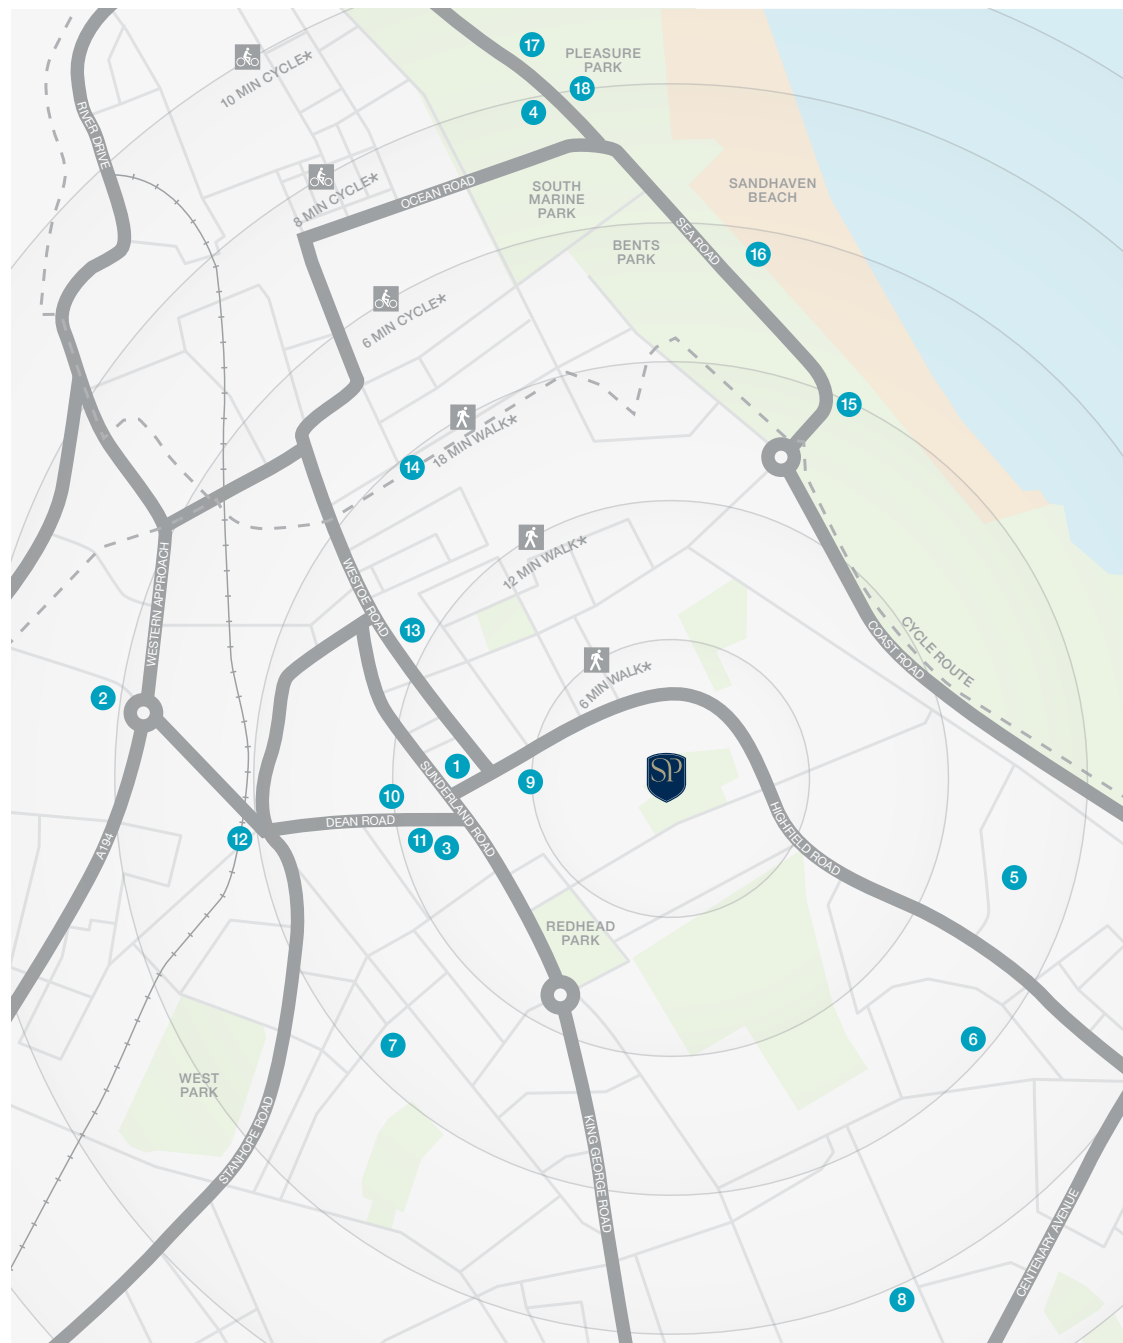

Westoe offers a diverse choice of leisure amenities, from the 150-year-old Rugby Club that still forms a hub of community life, to live music pubs and an annual Village Fete. One of the two theatres includes a cinema, and Haven Park Leisure Centre incorporates two swimming pools, leisure waters and a well-equipped gym. The area also excels in outdoor spaces, from the many parks and gardens to the superb coastal attractions. Readhead Park and tennis courts is a few yards from Scholars Park, and Temple Park and its Leisure Centre are just a mile and a half away. A mile to east lies Sandhaven Beach and Ocean Beach Pleasure Park. South Shields Golf Club is just two miles from the development.

Westoe Village Kindergarden stands a few yards from Scholars Park, and there are several schools within walking distance. The development is in the catchment area for Sea View Primary School and St Gregory's RC Primary, both assessed as Good by Ofsted, and for Mortimer Community College. Bamburgh Primary School, around 20 minutes' walk from the development, is assessed as Outstanding, as is the Sixth Form provision at Harton Academy, a mile and a half away. For health care, Ravensworth Surgery is the nearest of several local GP practices, and there is a convenient Mydentist surgery ten minutes' walk away.

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it. We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

How to find us

From the Tyne Tunnel

Leaving the Tyne Tunnel southbound, move into the left lane for South Shields via the A185 and take the second roundabout exit into Straker Street. After a mile, at Arches junction bear left for South Shield via the A194. Three quarters of a mile on, at the roundabout take the third exit, into Barnes Road. After another three quarters of a mile, at the roundabout take the third exit. After 350 yards, opposite The County pub, turn left then at the T-junction turn left. Scholars Park is on the right.

From Sunderland

From Wearmouth Bridge northbound, carry straight on for South Shields via the A1018. Stay on the A1018 for five miles, passing through three roundabouts, then at the fourth take the second exit, for the Town Centre. After 200 yards, at traffic lights turn right then take the first left turn, and 150 yards on Scholars Park is on the right.

Important Notice Although every care has been taken to ensure the accuracy of all the information given, the contents do not form part of any contract, or constitute a representation or warranty, and, as such, should be treated as a guide only. Interested parties should check with the Development Sales Manager and confirm all details with their solicitor. The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors. The location of affordable housing is indicative and the tenure of homes may be subject to change.
