*the place to be®*

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Please note that the site plan is not drawn to scale.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Shoreland Park.

The development is just yards from the A1068, offering fast access to Amble and Alnwick in the north and to Newcastle, 28 miles to the south. Frequent buses between Alnwick and Newcastle pass through Hadston, stopping at the shopping precinct around five minutes walk from the development, with journey times of around 35 minutes into Alnwick and an hour and fifteen minutes to Newcastle. Additional services between Berwick-upon-Tweed and Newcastle pass along the western edge of the village. Acklington Railway Station, approximately three miles away, offers a daily return commuter service to Newcastle, with free parking for cars and bicycles at the station.

The outdoor attractions of the area are exceptional. Druridge Bay, a seven mile stretch of sandy beach that provides a habitat for rare birds, is bordered by an extensive country park, a short walk from the development. The Country Park includes meadows and woodlands, a lake used for water sports and a visitor centre with a café.

Just ten minutes walk from Druridge Bay Country Park and a mile from the magnificent Northumberland coast in one direction, and quarter of a mile from the local shops in the other, this attractive selection of contemporary, energy efficient two, three and four bedroom homes combines the appeal of wide horizons, broad beaches and fresh air with an opportunity to put down roots in a small, mature community. Welcome to Shoreland Park...

# The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie  
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop  
Miller Home Owner

### The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

### Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

### Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

### Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

### Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

### A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique [www.mymillerhome.com](http://www.mymillerhome.com) website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

### For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

The Precinct in the village centre includes a newsagent, a large Co-op food store, a pharmacy and a post office as well as a café and a pizza take-away. Just across the road from the shops, Hadston House Youth and Community Centre houses a well-equipped youth club and a local library, and hosts services such as an internet suite and a community café. Next to the Community Centre there is a social club which presents live music events, and a few yards further on, the Broomhill Health Centre provides medical services. There is a glass recycling bin at the village social club, and a more comprehensive recycling centre can be found in Alnwick.

The trip into the beautiful harbour town of Amble, three miles from the development, brings a wide selection of shops, pubs and restaurants, in settings ranging from the delightfully traditional Queen Street to the small craft and seafood specialists of the harbour Village. There is also a Health and Leisure Club and, on the northern edge of the town, Warkworth Golf Club has a superb seaside links course designed by the legendary Old Tom Morris of St Andrews.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

The development is in the catchment areas for Red Row County First School, a small school around a mile away which is assessed as good by Ofsted, and for James Calvert Spence College in Amble, which covers the middle and high school age ranges.

\* Times stated are averages based on approximate distances and would be dependent on the route taken.

Based on:  
0.5km = 5 to 7 mins walk  
1.0km = 10 to 14 mins walk  
1.5km = 15 to 21 mins walk  
2.0km = 5 to 8 mins cycle

# How to find us

Development  
Opening Times:  
Thursday - Monday  
10.30am - 5.30pm  
03331 220 185

**From the A1 Southbound**  
Five and a half miles after passing Alnwick, leave the A1 following signs for Acklington. Carry on through the village of Acklington and into Broomhill. Leaving Broomhill, at the T-junction turn right for Ashington. After one mile, turn right into Hadston. Pass through Hadston and at the roundabout take the third exit. The entrance to the development is on the left.

**From the South**  
Take the A189 past Cramlington and Ashington, taking the third exit at the North Seaton roundabout. From the Woodhorn roundabout follow signs for Alnwick, travelling via the A189 then the A1068. Two and three-quarter miles after passing through the Widdrington roundabout, turn left into Hadston. Take the first exit at the roundabout and the entrance to the development is on the left.

Sat Nav: NE65 9RJ

The homes we build are the foundations of sustainable communities that will flourish for generations to come. We work in harmony with the natural environment, protecting and preserving it wherever we can. With our customers, colleagues and partners, we strive to promote better practices and ways of living. We're playing our part in making the world A Better Place.

a better place®

The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors.

## Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products. Like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
