

Wheatfields Seaton Delaval

the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Shopping

There is a selection of local shops in Seaton Delaval, including the Seaton Valley Co-operative Society, an independent organisation that operates a supermarket, a post office, an off-licence and a pharmacy situated next to each other in Avenue Road, just across the road from the Arts Centre. The same area also contains a newsagent, baker's shop, a second pharmacy, a bank, ironmonger and a good selection of food takeaways. For an exceptional selection of larger stores and high street names, the Metro Centre at Gateshead, the largest shopping and leisure facility in the UK, is in easy reach.

Leisure & Recreation

The Concordia Leisure Centre at Cramlington is one of the largest in the North East, and includes a fully-equipped gym, a 25-metre leisure pool with water features, a softplay area, sports hall, squash courts and cafeteria. As well as being popular with leisure skaters, the Ice Rink in Whitley Bay is the home of the Whitley Warriors Ice Hockey Team. Nearby golf courses include Whitley Bay and Arcot Hall, both with excellent 18-hole courses and full clubhouse facilities.

the place to be[®]

a better place^{*}

The homes we build are the foundations of sustainable communities that will flourish for generations to come. We work in harmony with the natural environment, protecting and preserving it wherever we can. With our customers, colleagues and partners, we strive to promote better practices and ways of living. We're playing our part in making the world A Better Place.

Why Miller?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
