A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Windlestone Point.

Less than four miles from the A1(M), Chilton sits between Durham and Darlington and is within around 20 minutes' drive of each. Local bus services, stopping a few yards from the development, link Chilton with Newton Aycliffe, Bishop Auckland, Ferryhill, Spennymoor, Durham and Darlington and other local communities. Trains between Bishop Auckland and Saltburn, calling at Darlington, Middlesbrough and Redcar before carrying on to the coast, stop at Newton Aycliffe Station, five miles to the south. The station has a free car park.

Within a few minutes walk, there is a pharmacy, a post office, a Sainsbury's Local supermarket, two convenience stores, several takeaways, hairdressers and other services. The nearby Jet 24-hour petrol station incorporates a Spar shop. One and a half miles away, the shops in Ferryhill include bakeries, family butchers, a Co-op, a confectioner and a range of other specialists, interspersed with pubs and cafés. Iceland and Lidl supermarkets can be found in Spennymoor, less than four miles away, and there is a choice of traditional pubs in the area.

Welcome home

Close to open countryside on the northern edge of Chilton, a charming village that has grown into a popular residential area, these energy efficient three, four and five bedroom homes bring a prestigious new neighbourhood into a thriving community. A short walk from shops and services, and with easy access to the A1(M) for travel throughout the north east, they offer a superb blend of peaceful surroundings and exceptional convenience. Welcome to Windlestone Point...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

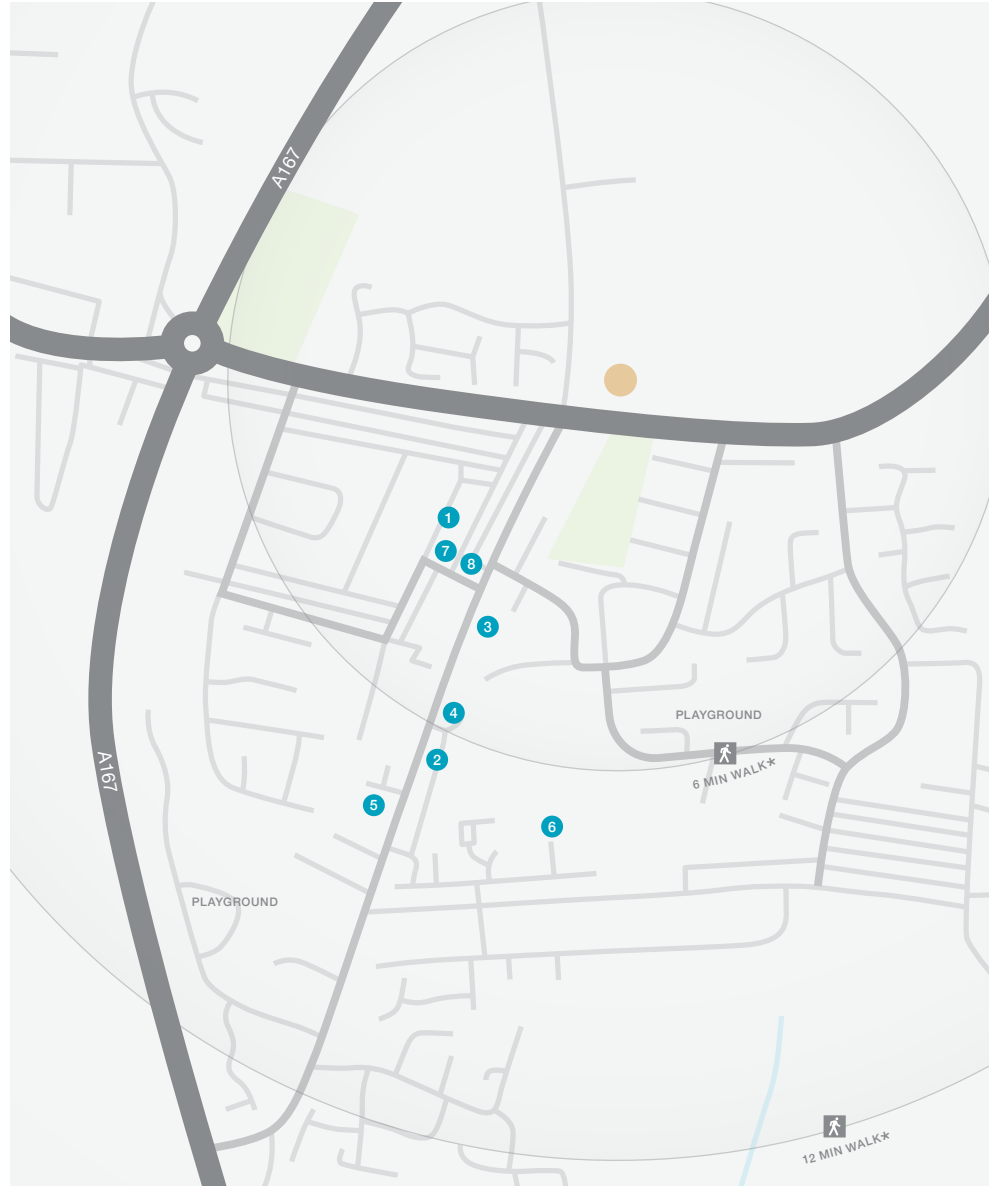

Chilton Sports and Social Community Club, a venue for live entertainment, sports and charity events and pub games, has a snooker room, a gym, bars and lounges. There is a football ground near the development and well equipped playgrounds at Chilton Miners' Welfare Recreation Ground and in the town centre, while larger green recreational areas around the town include Mill Wood, to the west. Chilton Library, open on Mondays, Thursdays and Saturdays, provides computer and copying services, and hosts Toddler Time and reading groups. The community-run Ferryhill Sport and Education Centre offers facilities for boxing, indoor bowls, amateur drama and football. A mile and a half south of the town, Woodham Golf and Country Club complements a challenging 18-hole course with excellent clubhouse facilities, including a restaurant with beautiful panoramic views.

Chilton Academy and Nursery, three-quarters of a mile away, is rated 'Good' by Ofsted. It has one of the largest primary school sites in Durham, and features an excellent gym, computer suite and science lab, extensive playing fields and outdoor learning spaces, including its own allotment. For secondary education Ferryhill School, also assessed as 'Good', sits in open green surroundings two and a half miles away. Ferryhill and Chilton Medical Practice is housed in Chilton Health Centre, 600 yards from the development. The Health Centre also contains the Burgess and Hyder dental surgery and the Chilton Pharmacy.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

From the A1(M)
Leave the A1(M) at junction 60 for Bishop Auckland via the A689. Stay on the A689 for two miles, then at a roundabout take the third exit, for Chilton via the A617. After three-quarters of a mile, at a roundabout take the fourth exit, for Chilton. At the next roundabout take the first exit, for Chilton Cemetery, and after 400 yards Windlestone Point is on the left.

From Bishop Auckland
From the roundabout at Coundon Gate, on the eastern edge of Bishop Auckland, join the A689 for the A1(M). Stay on the A689 for three and half miles, then at the Rushyford double roundabout take the first exit at both roundabouts, joining the A617 for Chilton. Three quarters of a mile on, at a roundabout take the fourth exit, for Chilton. At the next roundabout take the first exit, for Chilton Cemetery, and after 400 yards Windlestone Point is on the left.

Important Notice:
Although every care has been taken to ensure the accuracy of all the information given, the contents do not form part of any contract, or constitute a representation or warranty, and, as such, should be treated as a guide only. Interested parties should check with the Development Sales Manager and confirm all details with their solicitor. The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors. The location of affordable housing is indicative and the tenure of homes may be subject to change.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
