A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Living in Great Sankey

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Aspen Row.

Around three and a half miles from the centre of Warrington, in the sought-after area of Great Sankey, Aspen Row is just half a mile from the M62 and within 45 minutes' drive of the centres of both Liverpool and Manchester. Trains from Warrington West Station, approximately 20 minutes' walk away, reach Liverpool Lime Street in 35 minutes and Manchester Oxford Road in 40 minutes. Buses into Warrington town centre stop around half a mile away and local cycleways connect the area with National Cycle Route 62.

Immediately south of the development, accessible by a short footpath, there is a Lidl supermarket, McDonald's and Costa restaurants and a petrol station. The Westbrook Centre, half a mile away, includes a pharmacy and an Asda superstore, a dentist, and Westbrook Medical Centre, the nearest of the local GP surgeries. Gemini Retail Park, half an hour's walk from Aspen Row, presents M&S, Ikea, Boots, Next and other high street chain stores. Warrington town centre is a lively shopping and leisure venue, with pedestrianised streets, covered malls and an indoor market where more than 50 independent traders sell everything from fresh produce to musical instruments.

Welcome home

This beautifully planned selection of energy efficient one, two, three and four bedroom homes brings an exciting new neighbourhood into one of Warrington's most desirable areas. Offering exceptionally fast access to the national motorway network, just yards from a major supermarket, and presenting a choice of schools, shops and leisure amenities within walking distance, it perfectly blends urban convenience with an outstanding strategic base for travel throughout the north west. Welcome to Aspen Row...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

your home
your way...

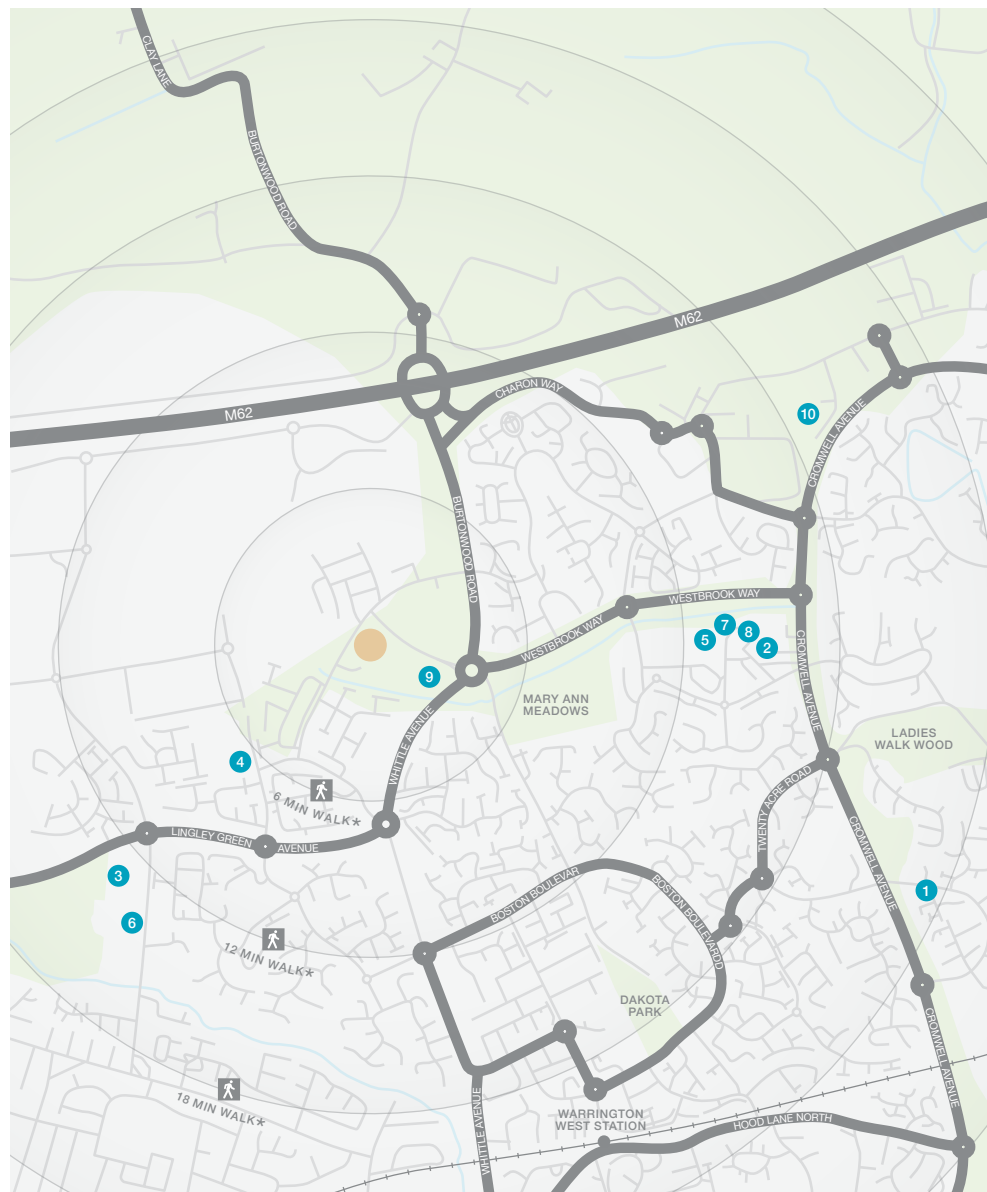

Great Sankey Neighbourhood Hub, 20 minutes' walk away, includes two swimming pools, fitness suites, tennis courts and football pitches, a sports hall and a library. Warrington has an excellent museum and art gallery housed in a Grade II listed building, and the Parr Hall and Pyramid Art Centre present live music, drama and comedy. The town also hosts a succession of festivals, including Warrington Music Festival, Warrington Pride and The Mela. One of the town's more unusual attractions, Gulliver's World Theme Park, is less than two miles from Aspen Row. Nearby parks and gardens include the delightful Whittle Hall Park and Duck Pond, a short walk from the development, and the play areas, meadows and sculptures of Sankey Valley Park, a linear park running alongside the Sankey Canal and Sankey Brook, can be accessed by a pleasant footpath through the Mary Ann Plantation, a few yards away. Golf facilities in the area include the Mersey Valley Golf and Country Club.

Barrow Hall Primary School and St Philip Westbrook C of E Primary School are both within around 15 minutes' walk of Aspen Row, and both are rated 'Outstanding' by Ofsted. Great Sankey High School, located beside Great Sankey Community Hub, hold a gold award arts education and has a purpose-built sixth form college.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

From the M62
Leave the M62 at junction 8 following signs for Warrington West. After 500 yards, at traffic lights turn right into Borsodi Boulevard. Another 500 yards on, Aspen Row is on the left.

From Warrington town centre
Follow Sankey Way westbound, then 500 yards after passing through Sankey Roundabout turn right into Whittle Avenue, signposted for Warrington West railway station. Stay on Whittle Avenue for a mile and a quarter, following signs for the M62 and passing through four roundabouts. At the fifth roundabout, next to a Lidl store, take the first exit. Carry on to the T-junction, turn left and after 100 yards Aspen Row is on the left.

Important Notice:
Although every care has been taken to ensure the accuracy of all the information given, the contents do not form part of any contract, or constitute a representation or warranty, and, as such, should be treated as a guide only. Interested parties should check with the Development Sales Manager and confirm all details with their solicitor. The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors.

the place to be®

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
