A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Living in
Lymm

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Cobblestone Wood.

In semi-rural surroundings a mile from Lymm's beautiful village centre, Cobblestone Wood combines a picturesque setting with an exceptional strategic location between Liverpool and Manchester and within around 45 minutes' drive of each. Trains from nearby Warrington reach either city in under 40 minutes. Around two and a half miles from junction 20 of the M6, the development offers convenient travel throughout the north-west. Buses linking Lymm with Warrington and Altrincham stop in Booth's Hill Road, around ten minutes' walk from Cobblestone Wood and just 200 yards from a large Co-op store with an in-store bakery and an off-licence.

The Bridgewater Canal towpath, to the south of the development, provides a traffic-free route into the village centre's charming assortment of shops, cafés and traditional pubs. In addition to a Post Office, pharmacies, an optician, traditional butchers and bakers and a Sainsbury's Local, there are hairdressers, takeaways and other services. A monthly Artisan Market, selling food and crafts, is held in the Youth and Community Association Hall.

Welcome home

A pleasant 20-minute walk from the delightful, picturesque centre of Lymm conservation village, this attractive selection of energy efficient one, two, three, four and five bedroom homes brings a prestigious new neighbourhood into an exceptional location. Offering easy access to the national motorway network, and with shops, services and a wealth of natural and historic attractions nearby, it presents a rare opportunity to settle down in a vibrant, mature community.

The Miller Difference

your home
your way...

The Miller Difference

Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you

For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust

Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can

You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards

From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey

Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way

After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved

Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own

Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow

For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

Lymm has a library and a Leisure Centre with a 23m swimming pool, a well-equipped gym, sports hall and dance studio. There are also Bayse Pilates gyms in Warrington and Altrincham. The community supports a rugby club, croquet, tennis, cricket, a running club, and Lymm Golf Club, the nearest of several courses in the area, is less than a mile from Cobblestone Wood. Lymm Heritage Trail, a three and a half mile route, gives an introduction to the local features and history.

Running along the southern edge of the development, the Trans Pennine Trail is an excellent walking and cycling path linking Lymm with Warrington, five miles away. Warrington's town centre shops range from high street fashion and technology brands in Golden Square mall to the vibrant Time Square neighbourhood and the independent traders of Warrington Market. Leisure attractions include cinemas, live drama and music venues such as Parr Hall and The Pyramid Arts Centre, and an excellent museum and art gallery. On the edges of the town, Gulliver's World theme park and Apple Jack's Adventure Farm are popular family days out.

Statham Community Primary, a few yards from Cobblestone Wood and assessed as 'Good' by Ofsted, is a highly regarded school with nursery facilities, and Lymm High School, approximately two miles away, is assessed as 'Good with Outstanding Sixth Form provision'. Brookfield Surgery is the nearest of Lymm's two medical practices, and there are three dentists in the centre of the village.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
