*the place to be®*

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Please note that the site plan is not drawn to scale.

Just a mile from the A582 and around three miles from the intersections of the M6, M61 and M65, Croston Meadow is an extremely convenient base for travel throughout the north-east. Liverpool and Manchester are both less than 30 miles away, and trains from Leyland station, a mile and a half from the development, serve both cities. Travel time to Manchester is around 50 minutes, and to Liverpool approximately an hour and twenty minutes. Bus services via Leyland town centre to Preston, a trip of around 30 minutes, pass alongside the development every 15 minutes during the day and half-hourly in the evening.

There are many green spaces, parks and riverside pathways within a few minutes' walk. The family-friendly Wheatsheaf bar and restaurant is just yards away, while for younger residents the nearby Warehouse indoor skate park offers excitement for skaters, skateboarders and BMX riders.

The local shopping area around 600 yards from Croston Meadow includes a Tesco Express store, a baker, an off-licence, hairdressers and food takeaways, and a large recycling centre can be found just a mile to the north. Leyland town centre, around 35 minutes walk from Croston Meadow, has a traditional market town environment, offering a variety of local independent shops interspersed with high street chains including an Asda supermarket. Leyland Market, open on Tuesdays, Fridays and Saturdays, sells fresh local produce, fish, clothing and other goods.

Bounded by mature trees and natural green spaces, with open farmland to the west, Croston Meadow is a prestigious new neighbourhood that blends peaceful surroundings with excellent local amenities. A short journey from Leyland's traditional market town centre and less than three miles from the intersections of three motorways, these attractive, energy efficient three and four bedroom homes present a perfect combination of strategic location and rural character.

Welcome to Croston Meadow...

# The Miller Difference

## The Miller Difference

We're enormously proud of the homes we've been building for the last 80 years, and throughout that time we've been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we've seen many generations of families enjoy our homes and developments, and we've seen the happy, thriving communities they've become.

### Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We're proud of the independent surveys that consistently show our high levels of customer satisfaction. That's the real barometer of our quality and our service.

## Helping where we can

We invest everything into your customer journey – it's designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we'll listen to you right from the start. From the day you first look around a showhome until long after you've moved in, we're here to offer help and support. We've been doing this a long time so we have a vast amount of experience to draw on.

We don't want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

## Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It's a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

## Keeping you involved

First you'll meet your sales adviser who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We'll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you'll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we've finished building it.

## A Better Place

We don't just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique [www.mymillerhome.com](http://www.mymillerhome.com) website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you've moved in.

## For your future

For us, success is building exceptional homes, in sustainable communities. And that's how we've built a business that goes from strength to strength.

"Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me."

Chris Mackenzie  
Miller Home Owner

"We are so impressed with the exceptional customer service and quality of our home that we've recommended Miller Homes to a friend."

Helen Moscrop  
Miller Home Owner

Leyland's historic attractions, including its 12th Century St Andrews Church and famous Saxon cross, contrast with modern amenities like the Leisure Centre's well-equipped gym and 25m swimming pool. In addition to a small local history museum, the town has an internationally important British Commercial Vehicle Museum with a fascinating range of exhibits, from horse drawn transport to a popemobile.

On the southern edge of the town, the magnificent Worden Park includes an adventure playground, walled Georgian garden, maze, nine-hole golf course and free miniature railway as well as floral displays, meadows and mature woodlands, while just three miles to the east, Cuerden Valley Park combines magnificent walks and wildlife with events like a farmers' market and an annual beer festival. There is also an 18-hole golf course on the eastern edge of the town.

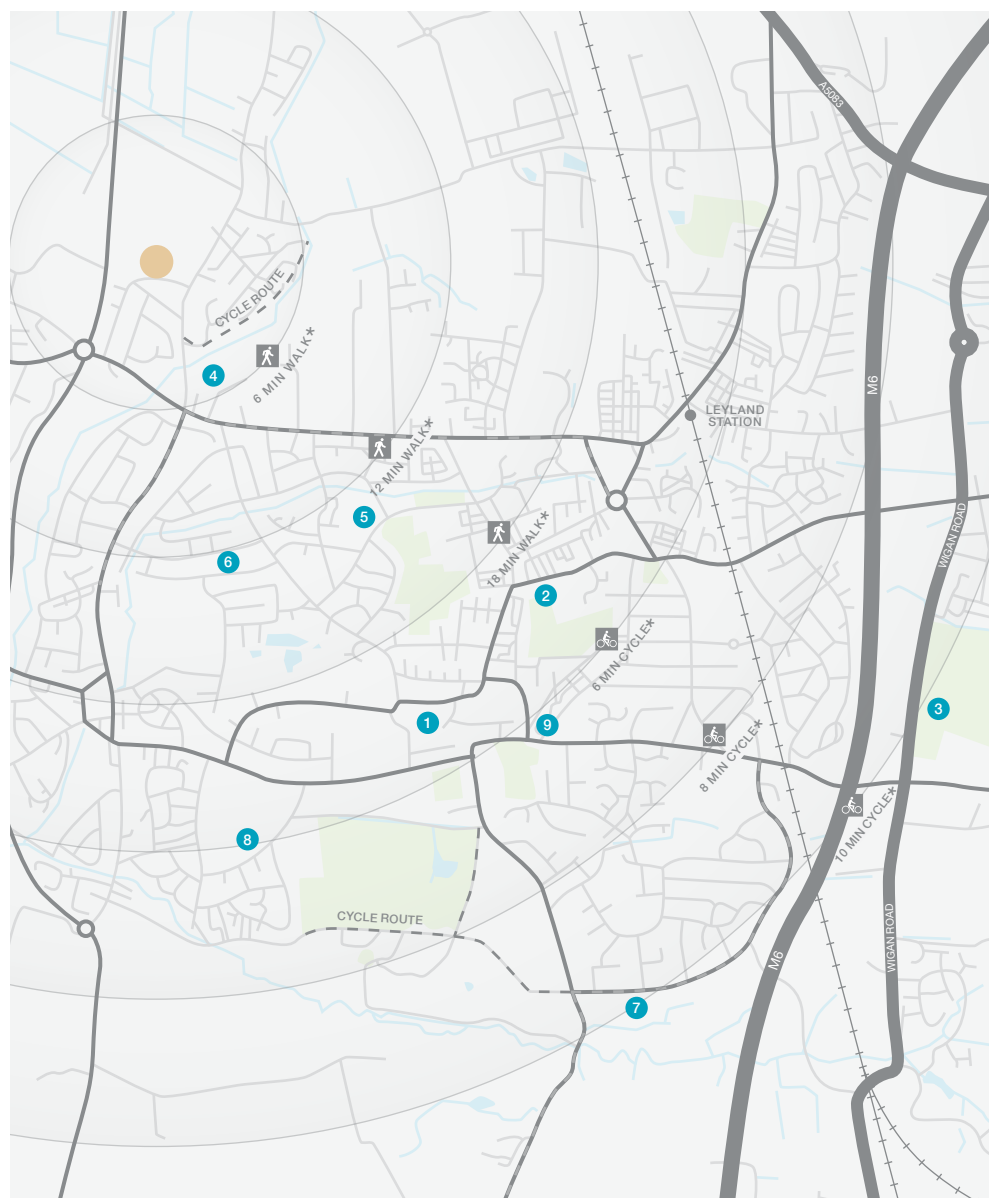

Northbrook Primary, St Mary's RC Primary, and Academy@ Worden, a community high school with academy status, are all within a mile of Croston Meadow, and all are assessed as 'Good' by Ofsted. There is also an RC secondary school, St Mary's, just a little further away. Sandy Lane Surgery is the largest of several GP surgeries in the town, and there is a choice of dentists within walking distance.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

## Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products, like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
