Less than two miles from the A59 and 20 minutes' drive from the M65, Montague Place is within around half an hour's drive of Preston, Blackburn and Burnley. Trains from Clitheroe Interchange, 20 minutes' walk from the development, run approximately hourly to Blackburn, Salford and Bolton as well as Manchester, an hour and fifteen minutes away by rail. There are direct buses to Blackburn, Burnley, Skipton and Nelson, and half-hourly local services link the development with the town centre and Clitheroe Interchange.

The picturesque, historic market town of Clitheroe nestles between the Forest of Bowland and Pendle Hill in the beautiful Ribble Valley. Now, this exciting selection of energy efficient two, three and four bedroom homes brings a prestigious new neighbourhood into an exceptional setting. Just 20 minutes' walk from the vibrant town centre, with excellent transport links, these homes offer a rare opportunity to put down roots in a welcoming, lively community. # The Miller Difference

## The Miller Difference

We're enormously proud of the homes we've been building for the last 805 years, and throughout that time we've been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we've seen many generations of families enjoy our homes and developments, and we've seen the happy, thriving communities they've become.

## Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We're proud of the independent surveys that consistently show our high levels of customer satisfaction. That's the real barometer of our quality and our service.

## Helping where we can

We invest everything into your customer journey – it's designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we'll listen to you right from the start. From the day you first look around a showhome until long after you've moved in, we're here to offer help and support. We've been doing this a long time so we have a vast amount of experience to draw on.

We don't want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

## Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It's a customer journey that has taken 85 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

## Keeping you involved

First you'll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your Site Manager, who will supervise the build of your home and answer your questions along the way.

We'll invite you to a pre-plaster meeting with your Site Manager during the construction of your new home, where you'll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we've finished building it.

## A Better Place

We don't just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique [www.mymillerhome.com](http://www.mymillerhome.com) website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you've moved in.

## For your future

For us, success is building exceptional homes, in sustainable communities. And that's how we've built a business that goes from strength to strength.

"Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me."

Chris Mackenzie  
Miller Home Owner

"We are so impressed with the exceptional customer service and quality of our home that we've recommended Miller Homes to a friend."

Helen Moscrop  
Miller Home Owner

Within half a mile of Montague Place, there is a licensed McColl's convenience store and newsagent that opens until 11pm, seven days a week. The picturesque town centre presents a wide choice of traditional shops, pubs, cafés and restaurants, including an open-air market specialising in local produce every other day and hosting a Collectors Market on Fridays. The town's five supermarkets include a Lidl store around 20 minutes walk, via a pleasant footpath, from Montague Place.

Clitheroe is a popular tourist destination and has a lively leisure and cultural life. The historic focal points include the beautifully preserved Norman castle and museum, and a local library housed in an iconic 1905 building. The Grand's auditorium provides a flexible, spacious venue for touring music, comedy, drama and film screenings. Leisure amenities include Ribblesdale Swimming Pool, Edisford Sports Complex, and the community-run Roefield Leisure, clustered together at a riverside site that can be reached by a pleasant five-minute walk from the rear of the development. Between them, they provide sports halls, pitches, fitness suites, gyms, a climbing wall and many other facilities. There is a skate park by the Castle, and Clitheroe Golf Club's 18-hole course, less than two miles from Montague Place, takes full advantage of its beautiful situation. The vast expanses of the Ribble valley, Pendle Hill and the Forest of Bowland presents spectacular opportunities for rambling and cycling through superb countryside and fascinating natural habitats.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Nearby schools include Edisford Primary, which is just a little over five minutes walk away. Clitheroe St James Primary and Ribblesdale High are both within a mile of the development. All three are rated 'Good' by Ofsted. Clitheroe Royal Grammar School,

two miles away, has been consistently assessed as 'Outstanding'. Nearby Health provision is also excellent. Pendleside Medical Practice is the larger of the two health centres located near Clitheroe Interchange, and there are four dental surgeries in the town.

## Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GalerArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products, like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
