A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Prescott.

Prescot has unique ties to Elizabethan drama and iconic playwright William Shakespeare, hence the reason this prestigious new development has been named Sonnet Gate.

Sonnet Gate has outstanding local and national transport connections. The M57 and the M62, both within five minutes drive, provide fast routes to Liverpool, around 20 minutes away, and Manchester. Trains from Prescot Station, less than half a mile from the development, run approximately twice an hour between Liverpool Lime Street, St Helens and Wigan, with some services carrying on to Preston and Blackpool. The journey into Lime Street takes just over 20 minutes. Whiston Station, a mile to the south, offers services to Manchester Piccadilly and Manchester Airport, and buses between Liverpool, St Helens and other local destinations stop six hundred yards away.

Within half a mile there is a large Tesco Extra store, part of the Cables Shopping Park which incorporates an M&S Food Store, Boots and other high street names. A local shopping precinct at Molyneux Drive includes a convenience store, an off-licence, a pharmacy, hairdressers and fast food takeaways. Prescot's charming, partially pedestrianised town centre presents a mixture of independent retailers, pubs and cafés, complementing the national chains represented in the covered Prescot Shopping Centre, where there is also a local history museum.

Less than a mile from the M57 and ten minutes walk from the attractive, lively town centre of Prescott, this selection of stylish, energy efficient three and four bedroom homes is part of the exciting new Prescott Park. This strategic location brings a prestigious new residential quarter into a well-established and mature community, and presents an exceptional place to put down roots.

# The Miller Difference

your home  
your way...

## The Miller Difference

Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

## Shaped around you

For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

## Built on trust

Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

## Helping where we can

You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

## Pushing up standards

From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

## A smooth customer journey

Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

## With you every step of the way

After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

## Fully involved

Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

## Make it your own

Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

## A place to grow

For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

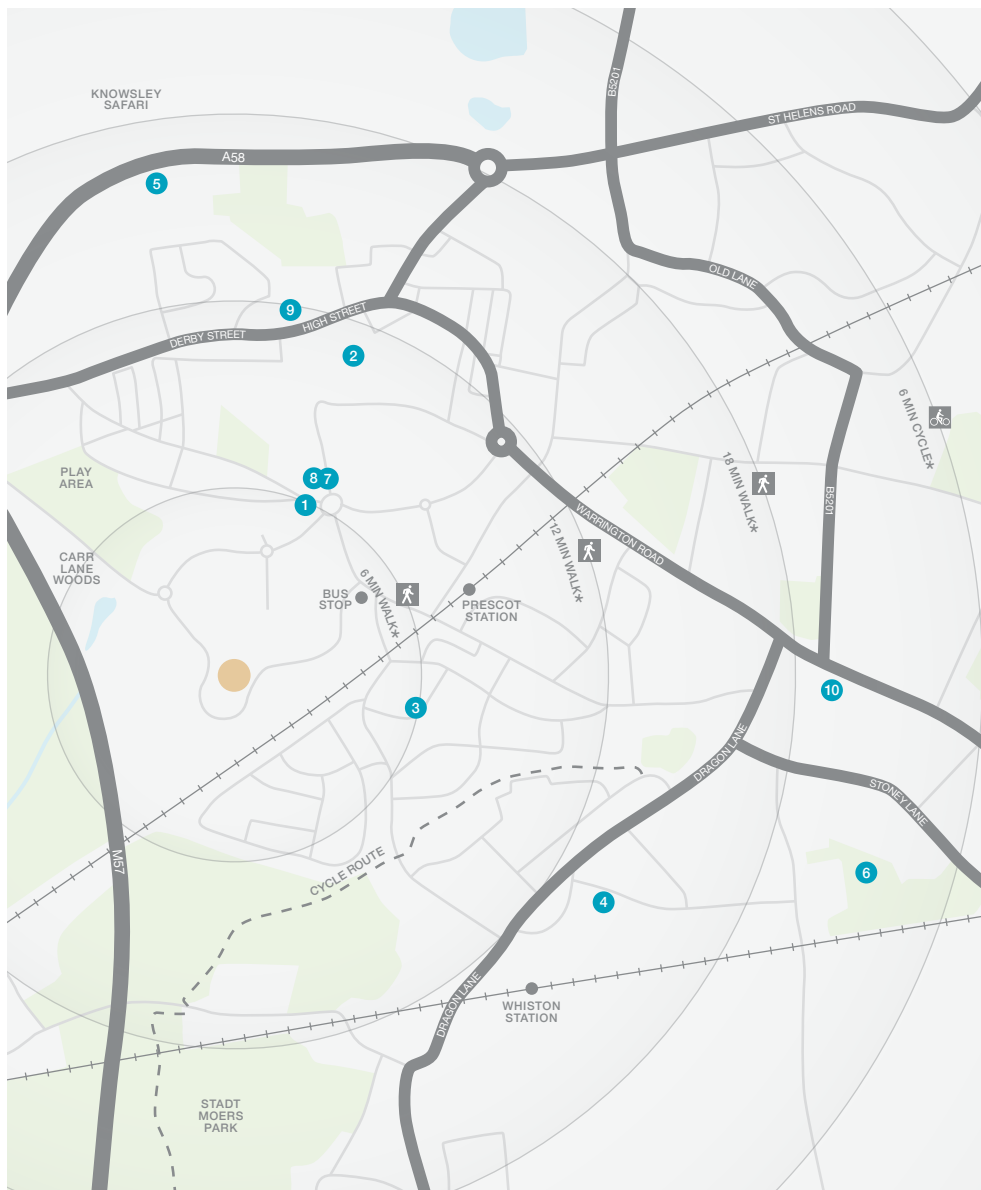

Prescot's attractions include Knowsley Safari Park and the exciting new Imaginarium woodland theatre. The Shakespeare North Playhouse, a flagship theatre project scheduled to open in 2022, will complement the bars and nightlife in the town centre. Cinemas and theatres can also be found in nearby centres from St Helens to Liverpool. Huyton and Prescot Golf Club, one of two courses in the area, is just a mile from Sonnet Gate, and the wealth of parks and woodland walks includes the vast Stadt Moers Park with its woodlands, green gym, playgrounds and fishing pond. There is also a Soft Play facility a short walk away.

Nearby schools include St Mary and St Paul's C of E Primary School and Whiston Willis Primary Academy, both assessed as Good by Ofsted. Secondary education is provided by the Prescot School to the north of the town centre, and St Edmund Arrowsmith Catholic High School in Whiston. All are within walking distance of the development. For health care, there are two full-time medical practices based in the Prescot Primary Care Centre around half a mile from Sonnet Gate, close to a late-night pharmacy. Prescot House Dental Surgery is located in the town centre, and Whiston Hospital, around a mile away, has a 24-hour A&E department.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

## Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
