24 How to Find Us

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live.

Views of Altrincham and beyond

Thorley Glade is just two miles from the North Cheshire Motorway (M56), ten minutes' drive from the Manchester Outer Ring Road (M60) and less than ten miles from Manchester city centre. Buses link the development with Hale and Altrincham, where the Altrincham Interchange transport hub incorporates rail, bus and Metrolink tram services. Metrolink and train services both reach central Manchester in approximately 25 minutes, and Manchester International Airport is less than ten minutes' drive away.

Within around half a mile, there is a shopping precinct incorporating a pharmacy, a post office and a Tesco Express, and another with a Morrisons Daily store, a hairdresser and takeaways. Timperley's main shopping centre, ten minutes' walk away, presents a comprehensive selection of convenience stores, hairdressers, cafés, takeaways and branches of Co-op, Iceland and Sainsbury's. Altrincham's attractive town centre, just 1.5 miles away from Thorley Glade, offers a choice of shopping environments from fashion, sports and technology brands in Stamford Quarter to local produce and crafts at the delightful Altrincham Market. Hale village's traditional shopping street is just under 2 miles away.

The artist's impressions (computer-generated graphics) have been prepared for illustrative purposes and are indicative only. They do not form part of any contract or constitute a representation or warranty. External appearance may be subject to variation upon completion of the project.

In a tree-lined setting in the village of Hale, within walking distance of shops and services and with the excellent amenities of Altrincham in easy reach, this prestigious selection of energy efficient three, four and five bedroom homes presents an excellent base for travel throughout Greater Manchester and the North West. Featuring a children's playground and EV chargers, it brings an exciting new neighbourhood into a mature residential area. Welcome to Thorley Glade...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation. Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help. From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it. And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space. At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community. By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

While the world class attractions of central Manchester are in easy reach, Altrincham also offers an excellent selection of leisure activities and nightlife. In addition to two theatres, the Altrincham Garrick Playhouse and the Little Theatre, and two cinemas, Vue and the Everyman, several venues and pubs present regular live music. Total Fitness Altrincham offers swimming pools and a fully equipped gym, and Hale Country Club and Spa is just half a mile away from Thorley Glade. There are also nearby clubs for boxing and shooting, and outdoor amenities range from the King George V fishing pool and Altrincham Golf Club to the green spaces, woodland, sports amenities and play area at Wythenshawe Park.

Thorley Day Nursery is just a few minutes' walk away, and Cloverlea Primary School, quarter of a mile from the development, also offers nursery provision. Both are rated 'Good' by Ofsted. Nearby Secondary schools' include Wellington, within a mile, the two single sex Altrincham Grammar Schools, assessed as 'Outstanding' and two RC schools, Saint Ambrose College for boys assessed as 'Good' and Loreto Grammar School for girls also assessed as 'Outstanding'. All have sixth form provision. The Lakes Medical Centre, which shares a building with the DCO Dental Surgery, is around ten minutes' walk from Thorley Glade, and Wythenshawe Hospital, which has an A&E department, is less than a mile and a half away.

Thorley
Glade.

* Times stated are averages based on approximate distances and would be dependent on the route taken.
Based on:
0.5km = 5 to 7 mins walk
1.0km = 10 to 14 mins walk
1.5km = 15 to 21 mins walk
2.0km = 5 to 8 mins cycle
2.5km = 6 to 10 mins cycle
3.0km = 7 to 12 mins cycle

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it. We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

Thorley Glade.

How to find us

From Manchester city centre

From the Mancunian Way ring road, join the A5103 Princess Road following signs for the M6 and Manchester Airport. Three-quarters of a mile after passing under the M60, bear left to join the A560 and take the third roundabout exit, for Altrincham. Follow the A560 for two miles, then turn left for Hale Barns via the A5144 Thorley Lane. Approximately 100 yards after passing through the first roundabout, Thorley Glade is on the right.

From M56 junction 6

From M56 junction 6 join the A538 Hale Road, following signs for Hale and Altrincham. After one and a half miles, at a crossroads with traffic lights turn right into Delahays Road. Three quarters of a mile on, Thorley Glade is on the left.

Important Notice:

Although every care has been taken to ensure the accuracy of all the information given, the contents do not form part of any contract, or constitute a representation or warranty, and, as such, should be treated as a guide only. Interested parties should check with the Development Sales Manager and confirm all details with their solicitor. The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors. The location of affordable housing is indicative and the tenure of homes may be subject to change.
