

**Greenbank Walk
Winchburgh**

millerhomes

the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Greenbank Walk.

Half a mile from the historic town centre of Winchburgh, Greenbank Walk is also exceptionally convenient for travel further afield. The development is just 200 yards from the M9 and five minutes' drive from the M8. The City of Edinburgh Bypass, Edinburgh Airport and the Queensferry Crossing are all less than ten minutes away by road, and central Glasgow can be reached in around 40 minutes. Lothian Buses X19 and the N43 night bus link the development with Edinburgh city centre, and there are additional services to Uphall Station, Livingston, Falkirk and Linlithgow. Trains between Helensburgh, Glasgow and Edinburgh call at Uphall, reaching Edinburgh Waverley in around 20 minutes and Glasgow Queen Street in just over an hour.

A Sainsbury's supermarket around half a mile away complements the shops in Winchburgh Main Street, which can be reached via a pleasant ten-minute walk along the Union Canal towpath. The town centre shops include a pharmacy, a Scotmid store, a butcher and delicatessen, a Sainsbury's Local shop, a café, a pub, hairdressers and an assortment of takeaways. Winchburgh Post Office, on the southern edge of the town, is around 20 minutes' walk away.

Welcome home

In a beautifully landscaped setting just a few yards from the Union Canal, this attractive selection of energy efficient three, four and five bedroom homes brings a prestigious new neighbourhood to the historic town of Winchburgh. Offering exceptional access to the national motorway network yet within a short walk of shops and schools, and in easy reach of Edinburgh city centre, it presents a rare combination of convenience and character.

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to selling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it. And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community. By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone, including ourselves.

Xcite Winchburgh, around a mile from the development, is a superb modern sports and leisure facility with a 25m swimming pool, fitness studios, sports halls and outdoor pitches. In addition to providing access to the town centre, the Union Canal offers walking and cycling routes to Winchburgh Marina, the historic attractions of Linlithgow, five miles away, and the world-class facilities of Edinburgh International Climbing Arena and the Lost Shore Surf Resort at Ratho. A mile to the west, the Bedlam and Splatmaster paintball activity centres, for adults and children respectively, can also be reached by the canal towpath. Winchburgh and Niddry Castle Golf Club, offering magnificent views over the surrounding countryside, is the nearest of several golf courses in the area, and other outdoor amenities include nearby Auldcaithie Park, with its gentle slopes and dedicated play area, the vast Beecraigs Country Park, Port Edgar Marina, and boat trips on the Forth from picturesque South Queensferry.

Greenbank Walk is in the catchment areas for Hawkhill Primary and the Holy Family Primary Schools, and for Winchburgh Academy and Sinclair Academy, all within 20 minutes' walk. Healthcare in the town is provided by the Almond Group, a large GP practice situated near the town centre, and there is a dental surgery, Advanced Dentistry, in Main Street.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
