23	How to Find Us

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live.

Deer Park is within half a mile of the A31, connecting with the A3 for London and the M3 for the south and west. Trains from Farnham Station, a little over a mile from the development, reach London Waterloo in approximately an hour, and there are also direct services to Alton and Guildford. Buses to Whitehill, Haslemere and Aldershot, as well as to the town centre and railway station, stop near the development, and National Cycle Route 22 runs within half a mile of Deer Park.

The Six Bells, a few yards away, is an 18th century pub and restaurant with an award-winning garden. There is a service station and 24-hour convenience store just across the road, and Sainsbury's and Lidl supermarkets within a short walk. In the town centre, a mile away, the lively variety of independent shops and services is interspersed with restaurants, cafés and pubs, creating a charming, traditional market town ambience.

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation. Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help. From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it. And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space. At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community. By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

The five-screen Reel Farnham cinema is located in the Old Market Place, and the Museum of Farnham, housed in a beautiful Georgian building with a walled garden, provides a focus for many community activities. Half a mile away there is a David Lloyd gym with a swimming pool, and amenities in Aldershot include an Alpine Snowsports Centre and a gym, a theatre and a cinema near Westgate Retail and Leisure Park.

The area is rich in outstanding outdoor attractions. In addition to the ancient oaks and delightful playgrounds of Farnham Park, the medieval deer park adjacent to the development, the forest trails of Bourne Woods, the woodlands and adventure play of Alice Holt Forest, and Frensham Great Pond with its beach, a popular venue for swimming or sailing, are all in easy reach. There is a nine-hole golf course on the edge of Farnham Park, and the 18-hole course at Farnham Golf Club is around two miles away.

Local schools include the William Cobbett Primary School, which supports a strong academic record with a wide range of extra-curricular activities and sports, and Farnham Heath End Secondary School. Both are rated Good by Ofsted, and both are within fifteen minutes' walk of the development. Farnham Centre for Health, around 350 yards away, houses the Farnham Dene Medical Practice and a pharmacy, and there is a choice of dentists in the town centre.

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it. We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
