A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

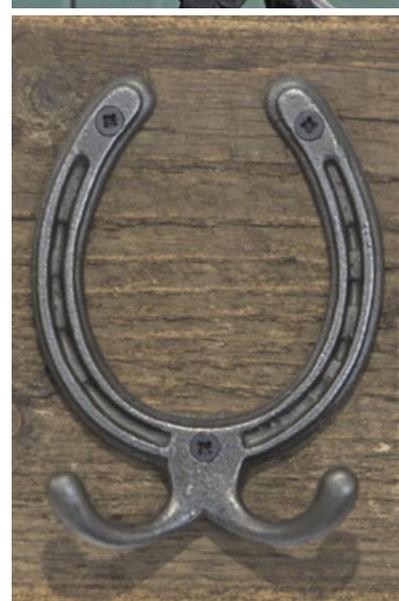

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Holme Meadows.

Ten minutes' drive from the M4 and within half an hour's drive of the M25, Home Meadows has excellent transport links with London and the west of England. Frequent trains from Wokingham Station, two miles away, reach London Waterloo in approximately 70 minutes, and there are additional direct services to Reading, Guildford and Gatwick Airport. The town also has good bus links with Bracknell and Reading.

A large Co-op food store, ten minutes' walk away and open from 7am to 10pm, caters for most everyday needs. In Wokingham's lively, attractive town centre, local shops, restaurants, cafés and pubs complement high street names and supermarkets, including Waitrose, M&S, Tesco, Co-op and Aldi. Open-air markets with local produce, plants crafts and street food are held on Tuesdays, Thursdays, Fridays and Saturdays, and Sunday vegan markets are held six times a year.

Welcome home

Close to the open countryside south of Wokingham, yet only 20 minutes' walk from the picturesque, historic town centre, this superb selection of energy efficient two, three, four and five bedroom homes and apartments brings an attractive, tree-lined new neighbourhood into an exceptional situation. Within half an hour's drive of the M25 and Heathrow Airport, with good local amenities, it offers an inviting blend of peaceful surroundings and convenient location. Welcome to Holme Meadows...

The Miller Difference

your home
your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

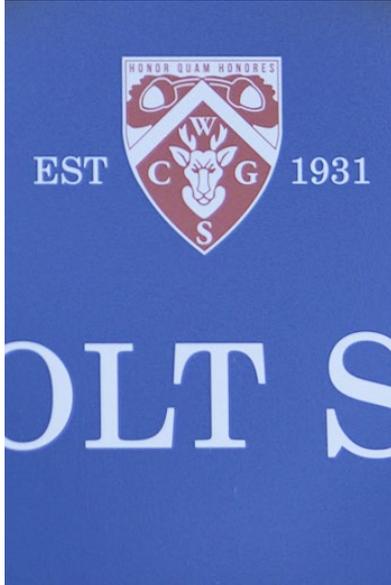

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

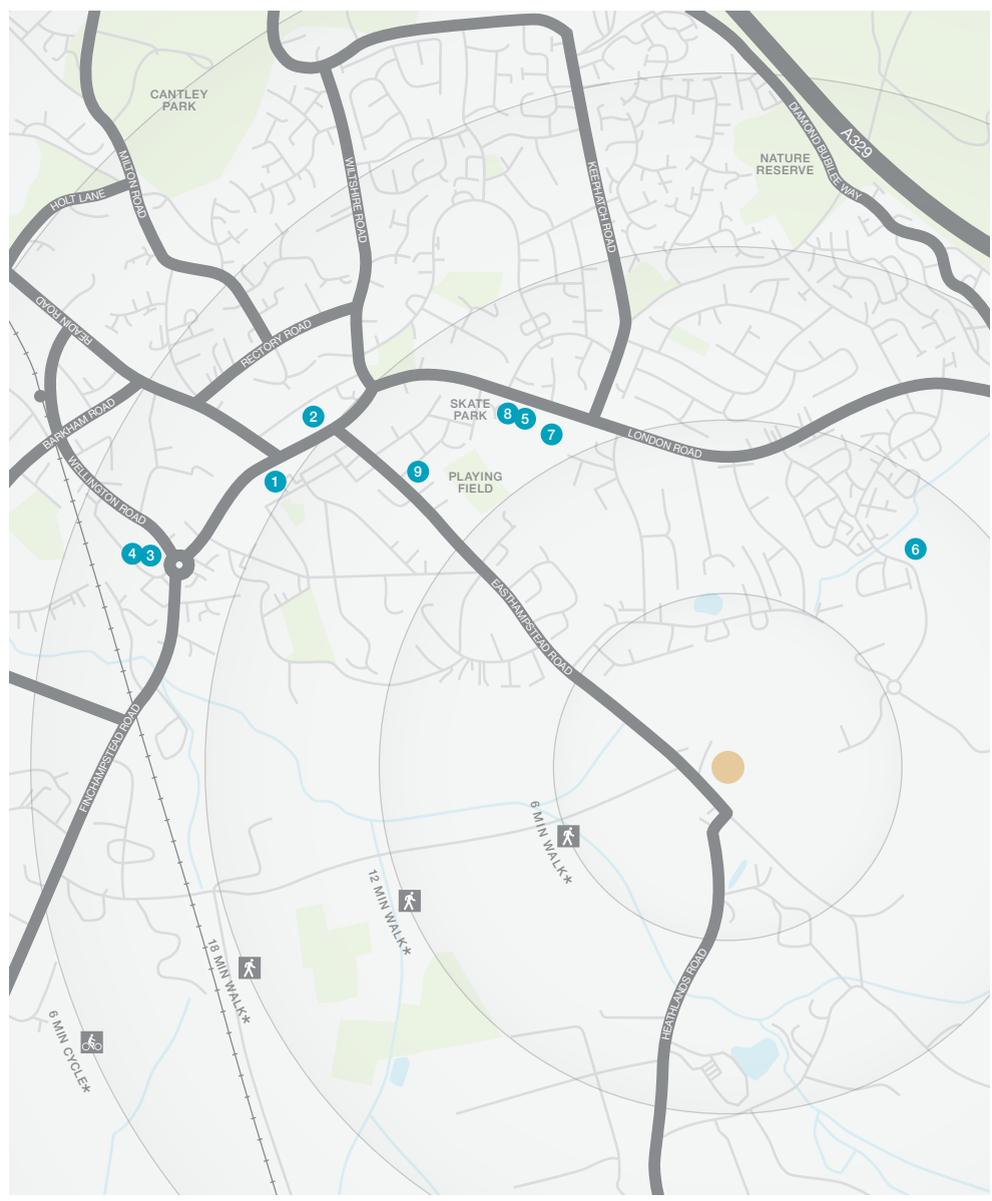

Nearby leisure amenities include Oakwood Climbing Centre, a few minutes' walk from Holme Meadows, and St Crispin's Leisure Centre's gym and sports hall are less than a mile away. Carnival Hub, near the town centre, houses Wokingham Library and a Leisure Centre with pools, cycle studio, sports courts and a gym, while a Superbowl next to Carnival Hub offers bowling and laser quest games. The town has a three-screen Everyman Cinema, a community theatre, and dozens of active clubs and societies, from photography and an Arts Society to choral singing and a wide range of sports. The town also holds an August festival with music and activities for all ages.

Wokingham is rich in green spaces, from the woods of Buckhurst Meadows or Jennett's Park, both within a short stroll of the development, to the spacious Cantley Park and the 350-acre Dinton Pastures Country Park, with its meadows, lakes and boat hire. California Country Park features an exciting playground and fishing lakes, while the nature reserves and parks fringing the north of the town provide a fascinating variety of habitats. The area's golf courses are complemented by Wokingham Family Golf, offering some unusual variations on the game.

Floreat Montague Park Primary School and Nursery is just five minutes' walk from Holme Meadows, and St Crispin's School, a mixed comprehensive, is less than a mile away. Both are rated 'Good' by Ofsted. Wokingham's large, purpose-built medical centre is conveniently located in the town centre, and Wokingham Dental Clinic is the nearest of a choice of dentists in the town.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
