mill<sup>er</sup>homes

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Minerva Heights.

Minerva Heights, is just a mile from the centre of Chichester, from where frequent train services run to Southampton, Brighton, Portsmouth and London Victoria, approximately an hour and a half away. The development is within the Plusbus zone, which offers various ticketing options for unlimited bus travel within the Chichester area. The five-and-a-half mile Centurion Way cycle path passes the southern edge of the site and connects with the South Coast Cycle Route for long-distance walking or cycling, and also provides a pleasant alternative route into the city centre.

A shopping precinct at Oliver Whitby Road, half a mile away, includes a Co-op food store, a convenience store and Post Office, a pharmacist, a family butcher and other services. In the city centre, the fascinating diversity of independent stores and high street names is interspersed with tearooms, coffee shops, restaurants and pubs in picturesque, partially pedestrianised streets. There are also several large stores and supermarkets, including John Lewis, Sainsbury, Aldi and Lidl, around Portfield Retail Park to the east of the city centre.

Dominated by its magnificent cathedral, Chichester sets history and heritage alongside vibrant, eclectic live entertainment. Major attractions include world-class art at the Pallant House Gallery, the Novium Museum with its Roman remains, and the celebrated Chichester Festival Theatre. A Cineworld is complemented by a small art-house cinema, and a number of pubs and small venues host music and other events.

There are several attractive parks and play areas around the city, and the Westgate Leisure Centre incorporates two swimming pools and a well-equipped gym. Opportunities for outdoor leisure are exceptional, with facilities such as Chichester Watersports with its kayaking, water skiing and inflatables aqua park, and Goodwood aerodrome and racecourse. For long-distance walking, Chichester Harbour Area of Outstanding Natural Beauty, to the south, and the vast South Downs National Park to the north, are both within easy reach.

Surrounded by mature trees and delightful West Sussex countryside, this beautiful new neighbourhood of energy efficient two, three and four bedroom homes offers peace and tranquillity. Yet it is just 20 minutes' walk from the shops, amenities and nightlife of Chichester. With good road and rail links along the south coast, and the M25 Orbital Motorway around an hour's drive away, it combines its almost rural appeal with exceptional convenience. Welcome to Minerva Heights...

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie  
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop  
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 85 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 85 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your sales adviser who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We provide a unique mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

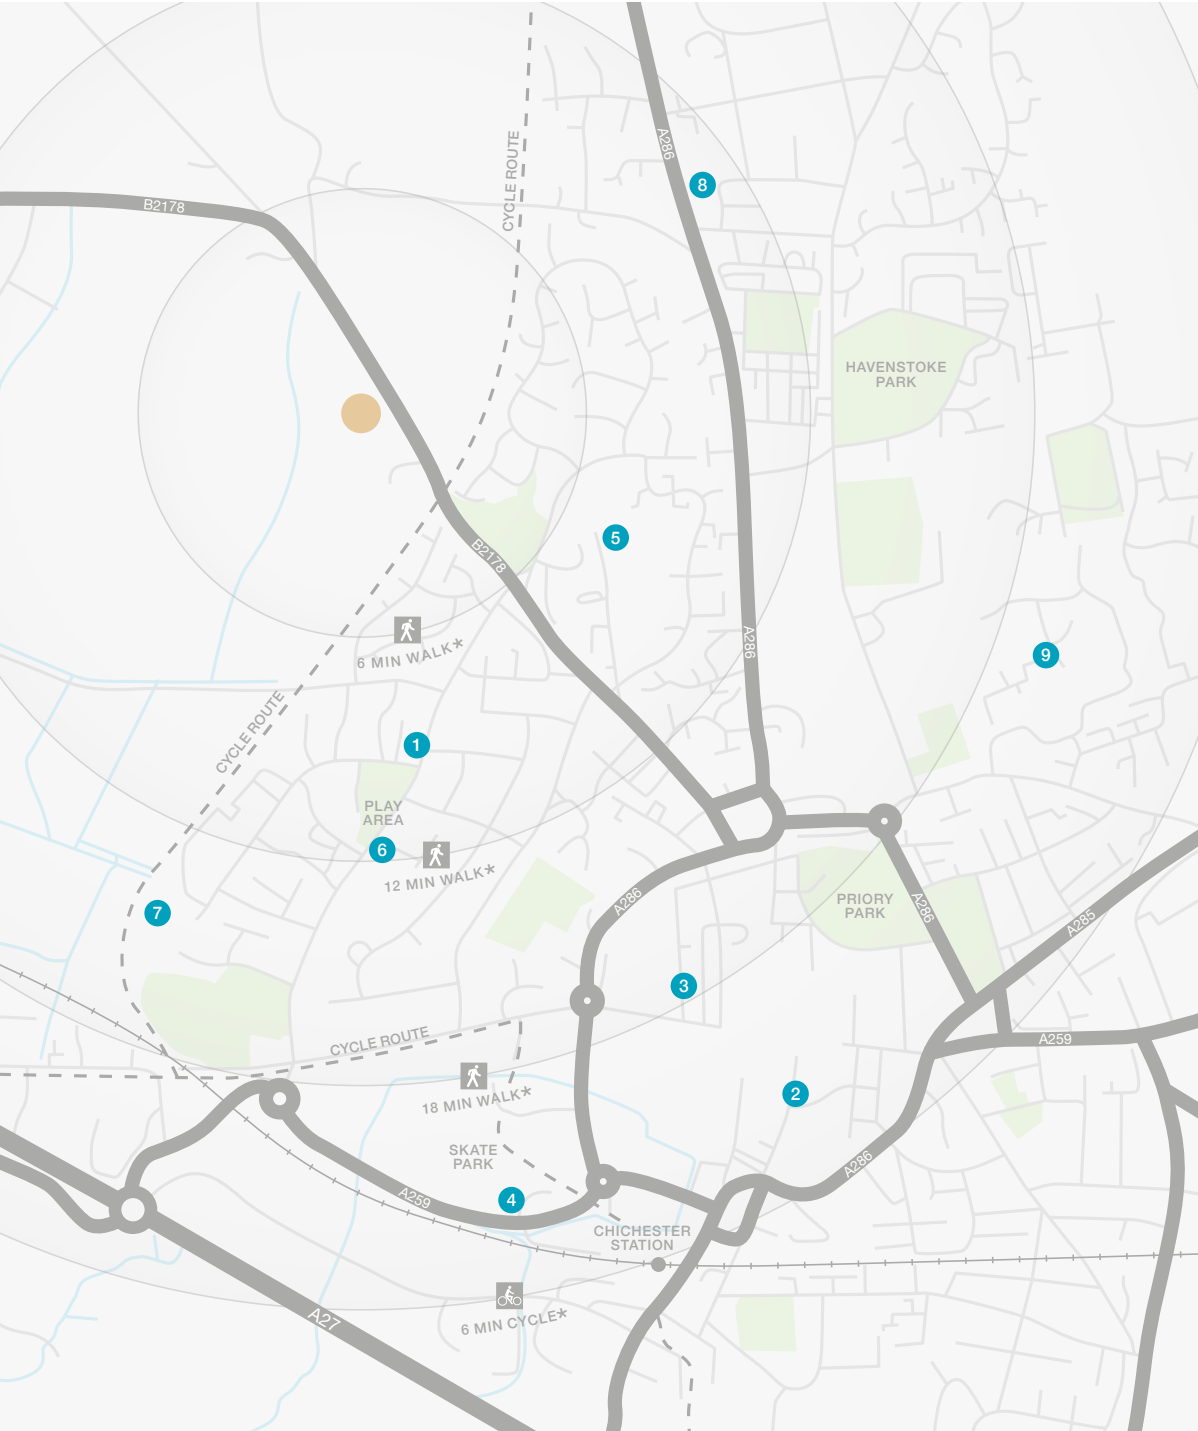

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Jessie Younghusband Primary and Parklands Primary Schools, both around three-quarters of a mile away, are both assessed as 'Good' schools by Ofsted. Bishop Luffa School, a co-educational C of E secondary with Leading Edge status and judged to be 'Outstanding' by Ofsted, is also within

20 minutes' walk. The excellent choice of health provision includes GP services at Lavant Road Surgery, which has an associated pharmacy. There are several dentists in Chichester, and St Richard's Hospital has a 24-hour A&E department and an emergency out-of-hours dental centre.

## Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
