A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Pembroke Chase.

Ten minutes drive from the centre of Bedford, Pembroke Chase sits in open countryside on the edge of the growing residential area of Wixams, around five minutes drive from both the A6 and the A421. Junction 21 of the M25 is approximately 40 minutes away. Buses between Bedford and Dunstable stop near the development, and trains between Bedford and Bletchley, reaching Bedford in around ten minutes and Bletchley in under 40 minutes, call at Kempston Hardwick Station, one and a half miles away. From Bedford, trains reach London St Pancras in 45 minutes, with some direct services to Luton and Gatwick Airports and Brighton. The new Wixams Station on the Bedford to St Pancras line, planned for opening in late 2026, is just a short walk from the development.

Welcome home

Next to open countryside between the villages of Houghton Conquest and Stewartby, and around four miles from the centre of Bedford, this inviting selection of two, three, four and five bedroom homes sits on the edge of the exciting new residential area of Wixams. Combining rural appeal with easy access to urban amenities, good transport links and excellent outdoor attractions, it brings an attractive new neighbourhood into a superb location.

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

There is a post office, convenience store and off licence in Houghton Conquest, around 20 minutes walk from Pembroke Chase, and a large Co-op and another convenience store in Stewartby, two miles away. The Interchange Retail Park, three miles away on the southern edge of Bedford, incorporates high street sports and fashion brands and food outlets, a gym, and a large Boots store with a pharmacy. There is also an M&S Food Store next to the Retail Park.

Bedford is an attractive, traditional shopping destination with a mix of high street names, independent traders, picturesque alleys and malls. The town also has an eclectic choice of cultural and leisure attractions. There are several theatres, cinemas, galleries and bars, including a lively programme of music, drama and comedy at Bedford Corn Exchange. The town also hosts several regular festivals, including a biennial River Festival claimed to be the second largest outdoor event in the UK.

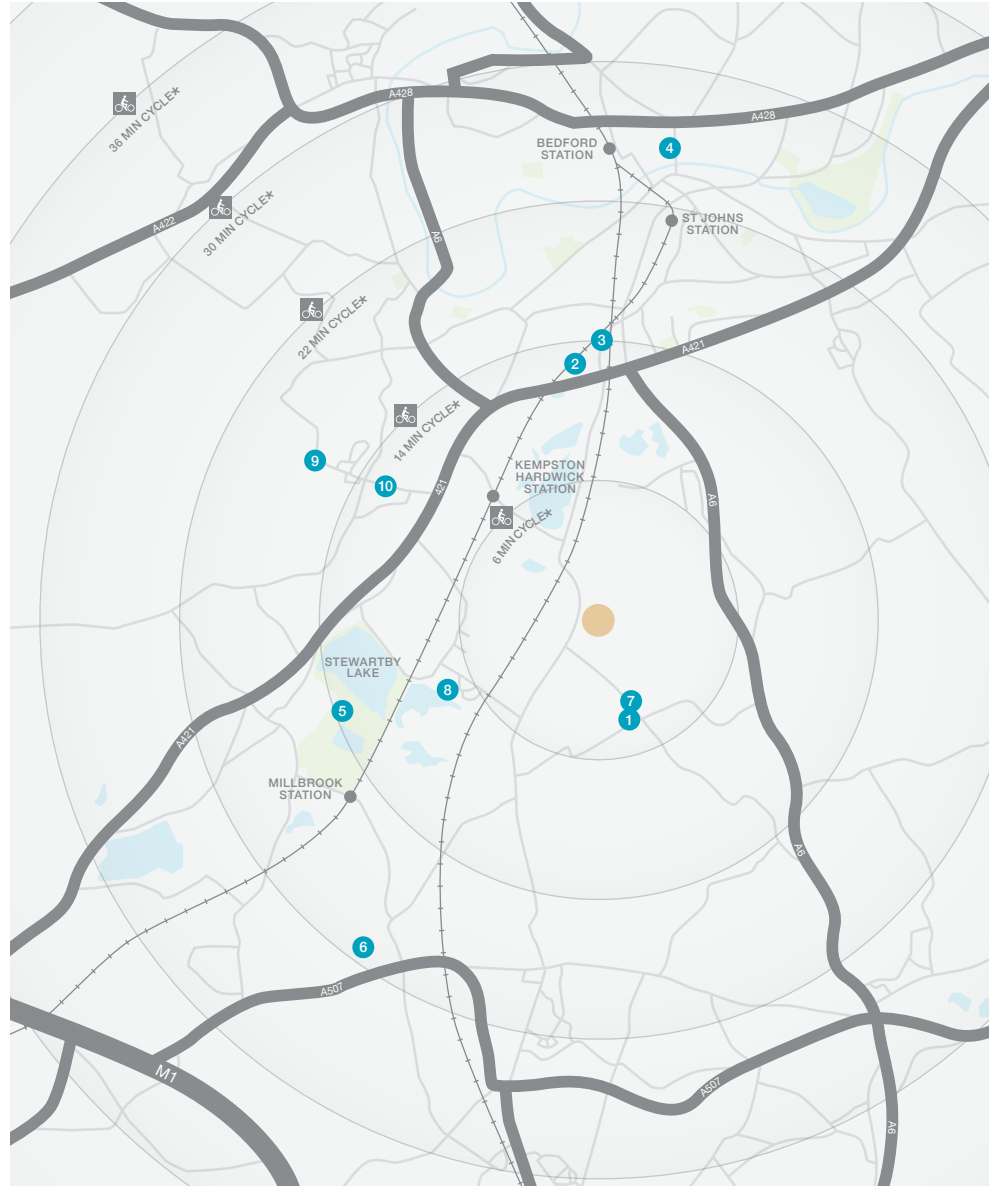

Outdoor attractions near Pembroke Chase include the Forest Centre and Millennium Country Park, with its extensive variety of woodlands and waterside walks and bike trails. The Millbrook Golf Club is the nearest of several courses in the area.

Pembroke Chase is in the catchment areas for Houghton Conquest Lower School, within 20 minutes walk, Marston Vale Middle School, approximately a mile and a half away, and Wooton Upper School, four miles from the development. All three schools were rated 'Good' by Ofsted in their most recent assessment. Places may also be available in schools near the development that do not use the catchment area system. Health care facilities include the large Shortstown Surgery, located in the Wooton Vale Health Living Centre.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
