A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around The Oaks at Hadden.

The Oaks at Hadden is less than an hour's drive from the M25, and Oxford is around 40 minutes away by road. Didcot Parkway Station, a park-and-ride hub 20 minutes' walk from the development, is just 40 minutes from London Paddington and less than 15 minutes from Oxford by train. There are additional direct services to Cheltenham Spa, Gloucester, Bath, Bristol and other destinations. Didcot also has good bus connections with Oxford and the surrounding area.

A small precinct fifteen minutes walk away includes a Co-op, a pharmacy, a food takeaway, the Ladygrove dental surgery and a family-friendly pub. There is a GP practice, the Oak Tree Health Centre, a few yards further on, and an Aldi supermarket less than a mile away. In the town centre, the local retailers and high street names in Broadway and the Market Place Shopping Centre are complemented by the Orchard Centre's covered mall, with Sainsbury and M&S supermarkets, fashion, books and technology outlets, cafés and restaurants.

Welcome
home

In a beautifully landscaped, tree-lined setting by a golf course and just a short walk from local shops and amenities, this attractive selection of energy efficient one, two, three, four and five bedroom homes and apartments brings an exciting new neighbourhood into a superb location. With excellent rail and road links, it offers an opportunity to settle in a historic town at the heart of the dynamic Science Vale Enterprise Zone.

The Miller Difference

your home
your way...

The Miller Difference

Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you

For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust

Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can

You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards

From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey

Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way

After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved

Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own

Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow

For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

Leisure amenities include a Cineworld cinema and a Snap fitness gym in the Orchard Centre, and live comedy, drama and music at the Cornerstone Arts Centre, which also offers a wide range of classes, a café and free art exhibitions. Regular events include performances by the Didcot Concert Orchestra, and the town also supports a Choral Society. One of the more unusual local attractions is the Didcot Railway Centre, a 21-acre living museum celebrating the age of steam.

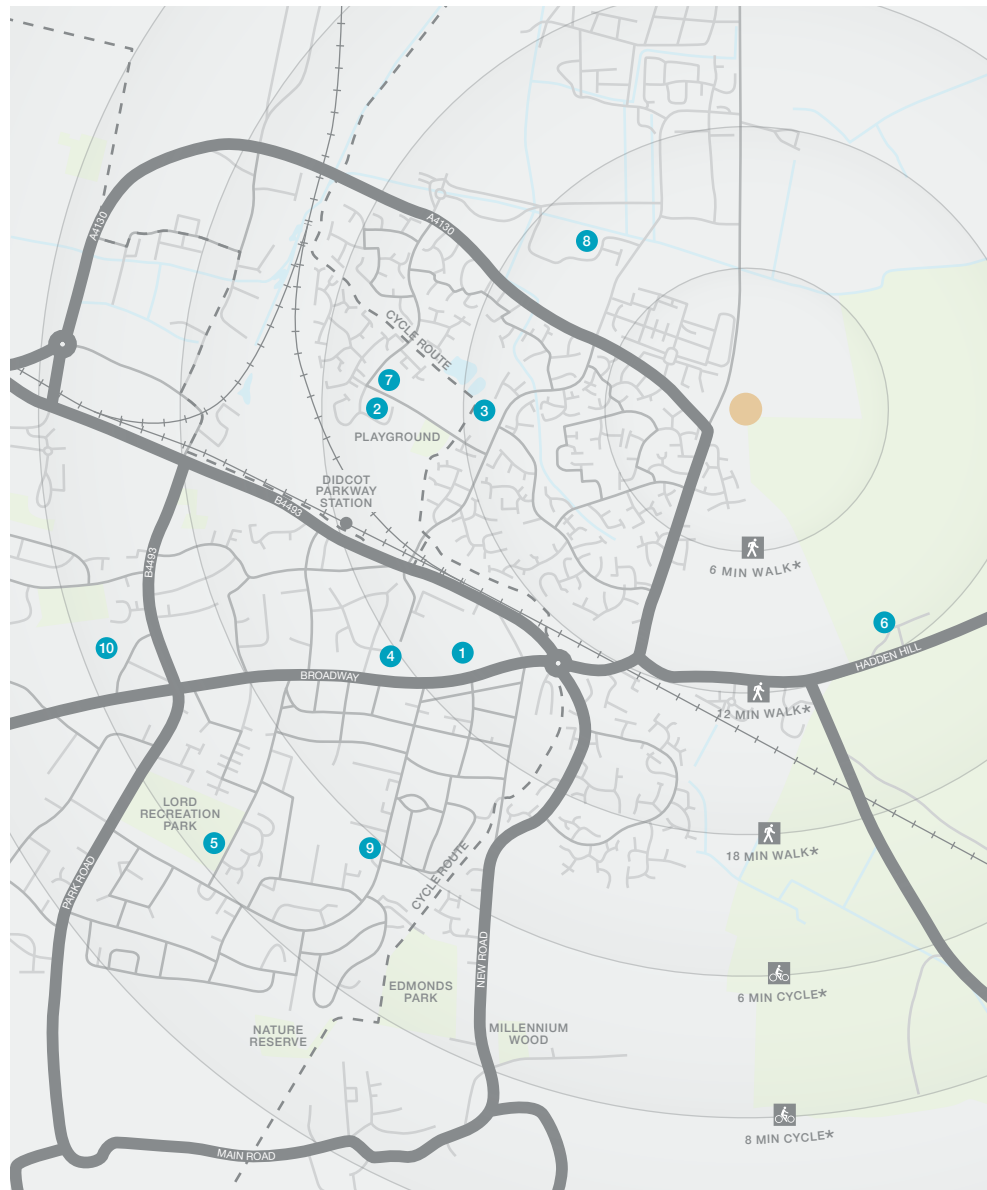

There is excellent sports provision around the town, with clubs for cricket, football, cycling, running and other activities. Tennis courts, a skatepark and a children's playground can be found nearby at Ladygrove, and Hadden Hill Golf Club's gently undulating 18-hole course lies adjacent to the development. Didcot Wave and Gym, one of several local leisure centres, incorporates a 25-metre pool and a 50 station gym. For walking and cycling, in addition to the town's many parks and open spaces, the picturesque hamlet of Little Wittenham, around two miles away, sits between Paradise wood and Wittenham Clumps nature reserve, offering wonderful opportunities for exploring a variety of habitats and landscapes.

Ladygrove Park Primary School and Sires Hill Primary School, both of which have nursery provision, and Ladygrove Day Nursery are all within a short walk of the development. The nearest secondary schools are St Birinius and Didcot Girls' School, both single-sex comprehensives, which share a Sixth Form. There are also co-educational secondary schools in the town.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
