A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Living in Stevenage

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Forster Park.

Approximately a mile from the A1(M), the development is just an hour's drive from central London. Trains from Stevenage Station, less than two miles away, reach London St Pancras in less than half an hour and serve Gatwick Airport. There are also express services to London Kings Cross, taking around 25 minutes, and direct links with Cambridge, Bradford, Peterborough and Harrogate. Frequent buses into the town centre pass the development, and National Cycle Route 12 runs just half a mile away.

Nearby shops include a Morrisons Daily and a pharmacy in Canterbury Way, east of the development and, to the west, a garden centre and, inside the Lister Hospital, a branch of WH Smith. Stevenage Rugby Club's ground is just yards from the development, and within five minutes' walk there are two traditional, family friendly village pubs in Graveley. The vibrant High Street of Stevenage Old Town, a mile away, presents Tesco Express, convenience and specialist stores, pharmacies, pubs and cafés. A little further on, the pedestrianised town centre contains a comprehensive mix of national chains and local traders. Westgate Shopping Centre comprises more than 30 stores, and there are Tesco and Asda supermarkets and a retail park with branches of Currys, M&S, Argos and Furniture Village. The indoor market offers more than 130 stalls, from fresh fish and local produce to collectables and a food court.

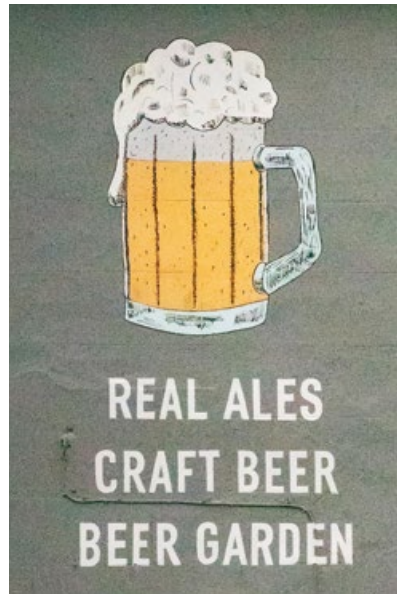

Welcome home

Peacefully located close to miles of countryside and picturesque villages, yet within walking distance of the amenities of Stevenage town centre, this attractive selection of energy efficient two, three, four and five bedroom homes is less than five minutes drive from the A1(M), offering fast access to the capital. Served by excellent public transport and cycling routes, it offers a rare combination of open, airy surroundings and exceptional convenience.

The Miller Difference

your home your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

The Gordon Craig Theatre in the town centre presents a wide spectrum of live entertainment, from touring music to opera and wrestling. Leisure and fitness provision includes a swim centre with two pools, a Technogym and sports facilities at Stevenage Lifestyles, and a sub-aqua club. Stevenage Leisure Park features a multiscreen Cineworld, Hollywood Bowl, restaurants and family adventure activity centres. There are also two golf clubs nearby. Parks and open spaces range from Forster Park and Bury Mead, close to the development, to Box Wood and the Great Ashby District Park to the east, and the sailing lake, aqua park, play area and outdoor activities at Fairlands Valley Park in the town centre.

The nearest primary school, Gravely Primary, sits in pleasant village surroundings half a mile away, and Thomas Alleyne Academy is less than a mile from the development. Both are rated 'Good' by Ofsted. Convenient GP services include St Nicholas Health Centre and the Canterbury Way Surgery to the west, and Lister Hospital has a 24-hour emergency department.

Interested parties should check with the Development Sales Manager and confirm all details with their solicitor. The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors. The location of affordable housing is indicative and the tenure of homes may be subject to change.

the place to be®

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
