A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Badsey Gardens.

Within around half an hour's drive of Worcester and Cheltenham and less than an hour from the centre of Birmingham, Badsey is an ideal base for travel throughout the West Midlands. Trains from Evesham Station, less than three miles away, reach Worcester Foregate Street in around fifteen minutes, Oxford in less than an hour and London Paddington in under two hours. Frequent bus services stop just outside the development, linking Badsey with Evesham as well as with Honeybourne and Redditch in the east.

Five minutes' walk away, and open seven days a week, a Spar convenience store and off-licence also incorporates the village post office. Next to it, there is a family butcher and delicatessen offering locally sourced produce. The village also has two traditional pubs. The nearest, the Round of Gras, includes a pool room, a large beer garden and a dining area where both the menu and the décor have an asparagus theme, reflecting the area's market gardening history. Slightly further away, the Wheatsheaf features beamed ceilings and a real open fire in winter.

Welcome home

Set in the beautiful countryside of the Vale of Evesham, this delightful selection of energy efficient two, three and four bedroom homes is attractively landscaped around a feature children's play area. Just a few minutes' walk from Badsey village shops and primary school and only two miles from the amenities and attractions of Evesham, it brings a prestigious new neighbourhood into a picturesque village with a lively, welcoming community life. Welcome to Badsey Gardens...

The Miller Difference

your home
your way...

The Miller Difference

Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you

For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust

Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can

You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards

From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey

Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way

After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved

Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own

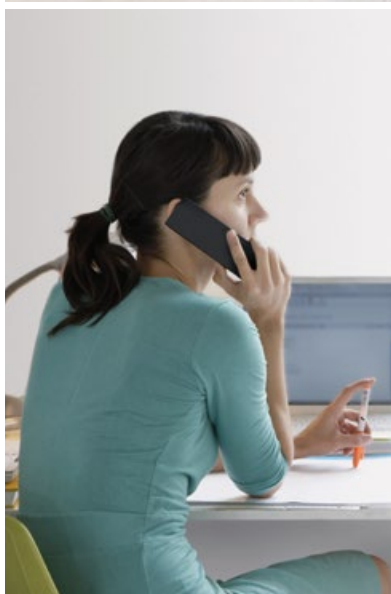

Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow

For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

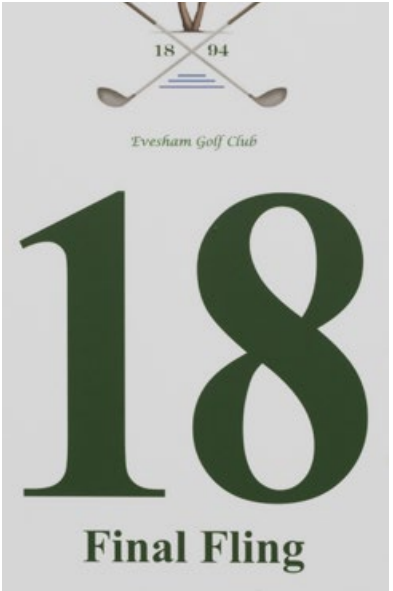

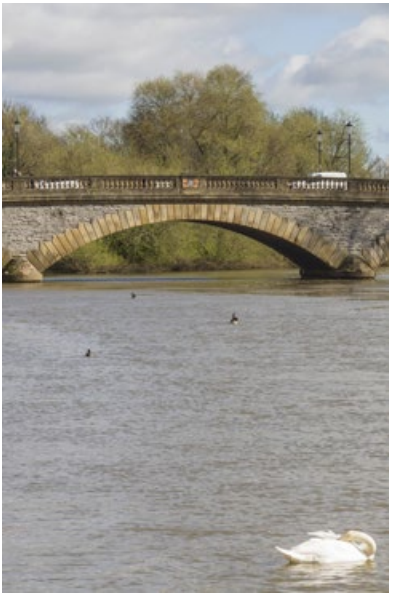

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

Amenities in the village include a Community and Sports Club, a popular venue for events and parties as well as home of Badsey's football and cricket clubs, and an Archery Club whose members range from beginners through to international competitors. There are more than a dozen social and special interest groups in the village, from film enthusiasts and model engineering to scouts and guides. The area also has a wealth of delightful rural walks, green spaces and playgrounds, including one in the grounds of the Memorial Hall beside the entrance to the development.

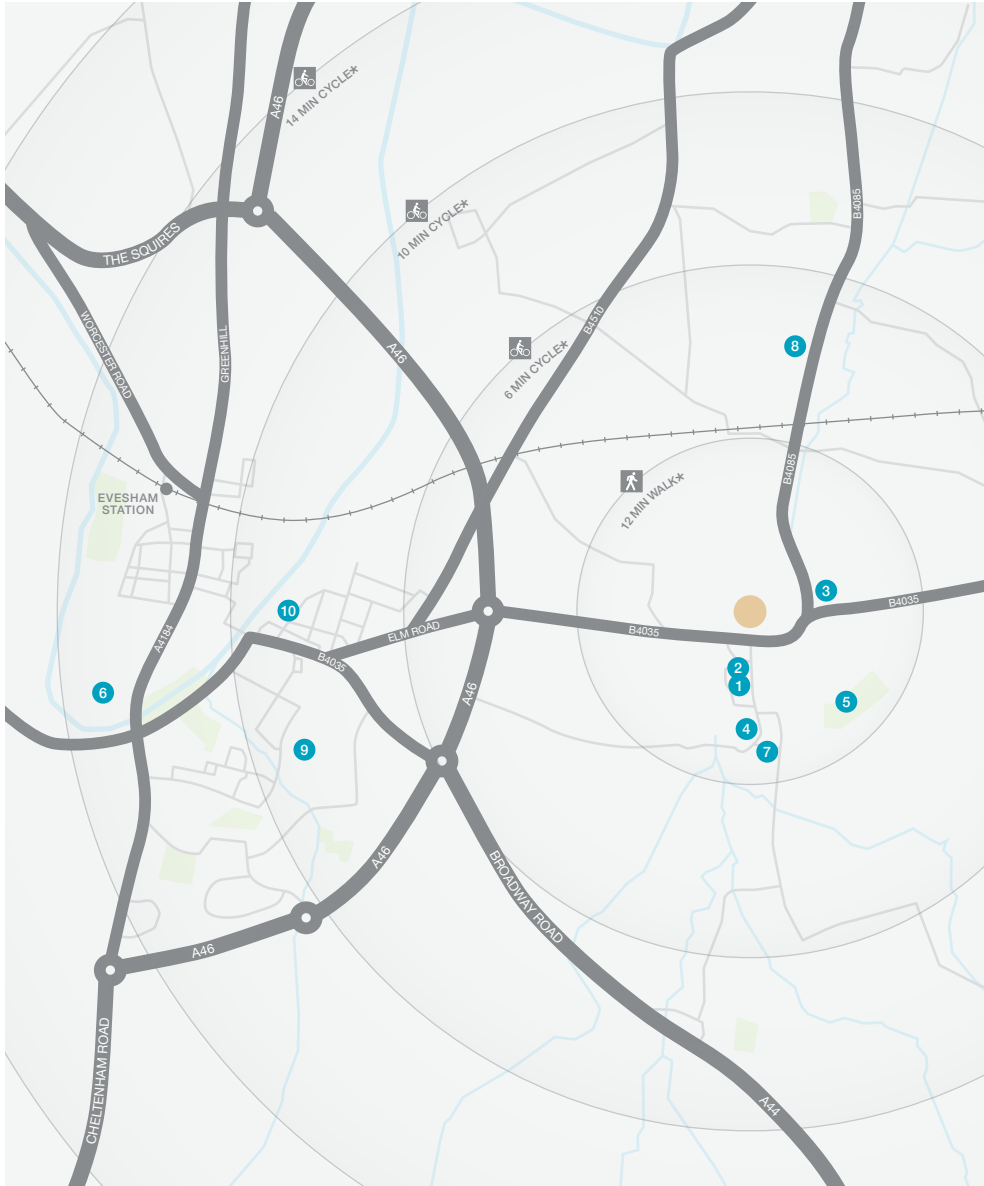

The short trip into Evesham opens up a wide choice of shops and supermarkets in a beautiful market town setting. The town has a cinema and live music venues, and fitness facilities include a Leisure Centre with two swimming pools, a large gym, a climbing wall and a health suite. Evesham and Harvington golf clubs are both approximately six miles away.

Badsey First School, a pleasant ten-minute walk from the development, has an innovative 'Forest School' outdoor learning area and an independent nursery within its grounds. The development is also in the catchment areas for Blackminster Middle School, to the north of the village, and TDMS High School in Evesham. Evesham also offers a choice of dental surgeries, pharmacies and opticians and four medical practices, the nearest being the Demontford Medical Centre.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

90 years of **miller** homes

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
