the place to be®

millerhomes

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Cathedral View.

Cathedral View offers excellent access to modern transport. Lichfield Trent Valley Station, less than a mile away, is a stop for services between Crewe and London Euston, with trains approximately once an hour and travel into the capital taking just over an hour and a half. The station's high-level platform is the terminus of the services to Redditch via Birmingham, with New Street station around 40 minutes away.

Close to the A38 and just four miles from the M6 Toll motorway, Cathedral View is close to frequent bus services serving Burton upon Trent and several local villages as well as Lichfield city centre. The bus trip into Lichfield takes just over ten minutes.

There is a well-equipped children's playground a few minutes walk from the development, and superb opportunities for walking in the local countryside and enjoying the colourful pleasure craft on the Coventry Canal. The Plough, in Huddlesford, is a traditional, family-friendly country pub and restaurant which can be reached by a pleasant canal-side walk of less than a mile.

On the edge of the beautifully maintained residential village of Streethay, just a mile from the heritage city of Lichfield, this attractively landscaped neighbourhood of energy-efficient two, three, four and five bedroom homes harmonises perfectly with its prestigious, sought-after location. Buffered by green spaces, and within a pleasant stroll of the marinas and towpath walks of the Coventry Canal, the development combines a timeless, peaceful appeal with excellent transport links.

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

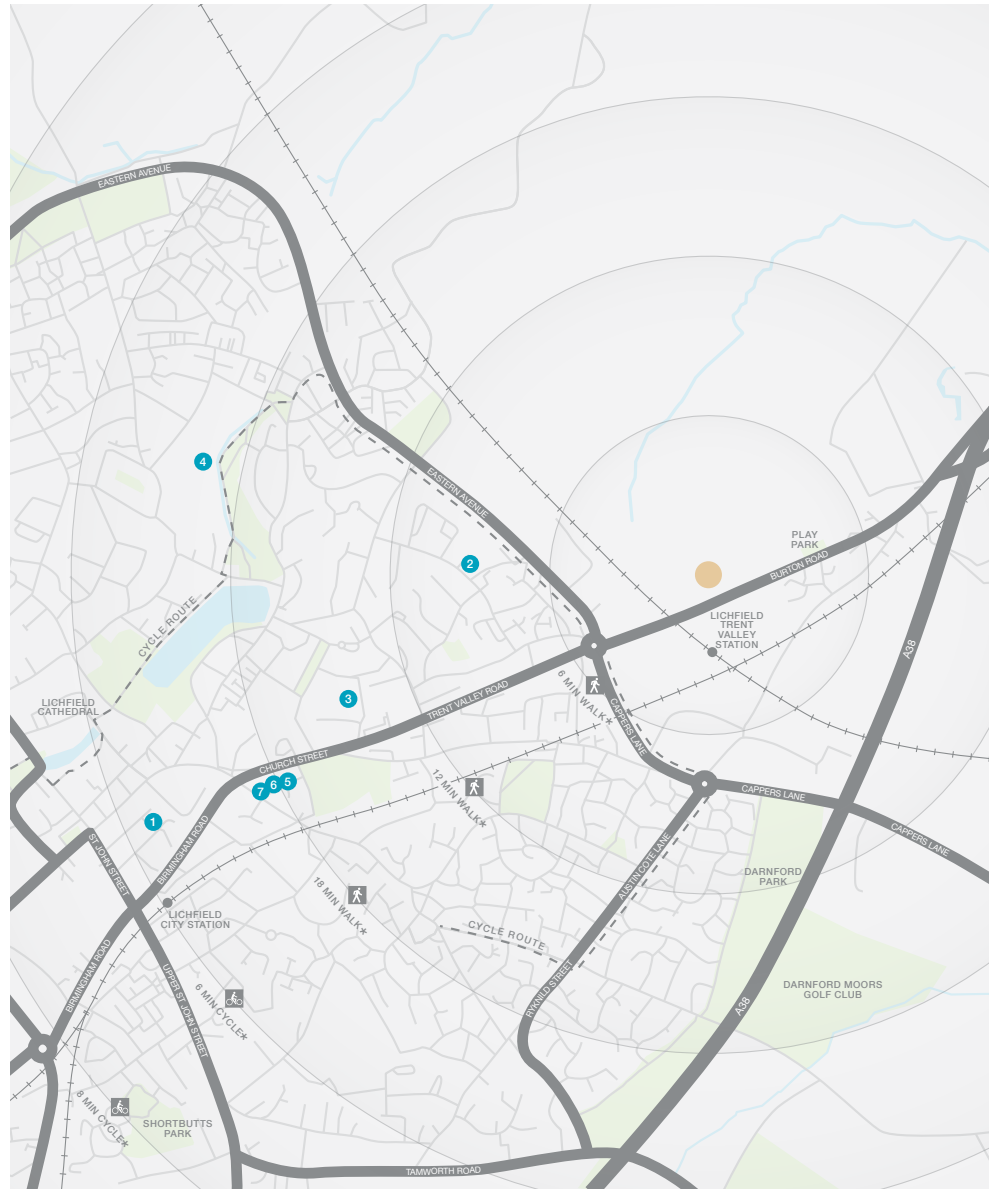

While plans exist to bring more amenities into Streethay, including health services, a leisure centre and a primary school, there are excellent facilities currently available in Lichfield. Attractions at the Garrick Theatre, in the city centre, range from musicals and drama to comedy and dance. The city's leisure attractions include superb open spaces like the beautiful gardens and sports facilities at Beacon Park, close to the library and museum, and Stowe Pool, popular with anglers. Friary Grange Leisure Centre includes a swimming pool, gym and sports hall, and nearby opportunities for more adventurous days out include Karting at Fradley Park and motorsports at Curborough Sprint Course.

Lichfield's charming traditional shopping streets, with their local traders, speciality shops, pubs and restaurants, are complemented by high street names and fashion outlets at the Three Spires Shopping Centre. Local supermarkets include a large Tesco, which also offers recycling facilities for most household packaging, including glass, and there is also another recycling site for larger items around a mile away.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Cathedral View is in the catchment area for Scotch Orchard Primary, St Chad's C of E Primary and Nether Stowe School. All three were rated 'Good' in their most recent Ofsted report. Greenhill Health Centre, near the large Tesco, incorporates two large medical practices and a Co-op pharmacy, and there are several dental surgeries in the city.

From Burton upon Trent and the North
Follow the A38 toward Lichfield. Carry straight on at Hilliard's Cross then, at the Streethay junction, bear left to join the A5127 for Lichfield. Around 200 yards after passing below the A38, turn right off the main road then first left. Cathedral View is around half a mile on.

From the South via the A38
Follow signs for Lichfield, passing through the Weeford Interchange, then at the Swinfen roundabout take the third exit, signposted for Derby via the A38. After around a mile and a quarter, leave the A38 following signs for Lichfield via the A5192. Turn left at the T-junction and at the first roundabout take the second exit, for Lichfield. At the second roundabout, take the fourth exit, for Burton. After just over half a mile, turn left off the main road then first left and Cathedral View is around half a mile on.

The homes we build are the foundations of sustainable communities that will flourish for generations to come. We work in harmony with the natural environment, protecting and preserving it wherever we can. With our customers, colleagues and partners, we strive to promote better practices and ways of living. We're playing our part in making the world A Better Place.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products. Like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
