A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Rectory Gardens.

The Royal Town of Sutton Coldfield is ideally placed for travel throughout the Midlands, with Wolverhampton, Lichfield, Coventry and Leicester all within reach. Rectory Gardens is less than ten minutes' drive from the M42, and buses between Sutton Coldfield and Birmingham stop a few yards from the development, reaching Birmingham city centre in 40 minutes. Trains between Lichfield and Redditch call at Sutton Coldfield station, half an hour's walk from Rectory Gardens. Birmingham New Street is just 20 minutes away by rail.

A shopping precinct at Churchill Parade, ten minutes' walk away, includes a small supermarket and post office, a pharmacy, a newsagent, hairdressers and takeaways. The town centre, around 25 minutes' walk or a short bus trip from Rectory Gardens, includes two covered malls set in a pleasant, largely pedestrianised environment alongside a wide choice of supermarkets, pubs, restaurants and cafés.

The wide choice of sports and leisure amenities includes rugby union, football and cricket clubs as well as several golf clubs. Wyndley Leisure Centre near the town centre incorporates swimming pools, a gym and a sports hall. Sutton Arts Theatre, a volunteer-run organisation, presents a series of drama and musical theatre throughout the year. The venues and attractions of Birmingham are also in easy reach for evenings out.

The Miller Difference

your home
your way...

The Miller Difference

Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you

For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust

Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can

You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards

From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey

Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way

After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved

Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own

Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow

For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

One of the most appealing features of the town is the choice and quality of parks and outdoor recreational spaces. These include a park to the north of the development and the larger Rectory Park ten minutes' walk to the west, both of which include children's playgrounds. Sutton Park, one of the largest urban parks in the country, presents a nature reserve, woodlands, angling and sailing pools, a donkey sanctuary and a wealth of paths for running, cycling and horse riding.

Educational and childcare provision includes Twiglets nursery school, around a quarter of a mile away, and there are two primary schools, Hollyfield and New Hall, and two high schools, John Willmott School and Fairfax Academy, within three-quarters of a mile. All the schools which have been assessed by Ofsted are rated 'Good', while the new John Willmott School is awaiting assessment. Sutton Coldfield Group Medical Practice operates a full-time surgery in the Falcon Medical Centre, a short walk away and, for emergency care, the round-the-clock A&E department of Good Hope Hospital is less than a mile from the development.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
