The Miller Difference

your home
your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, we'll over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

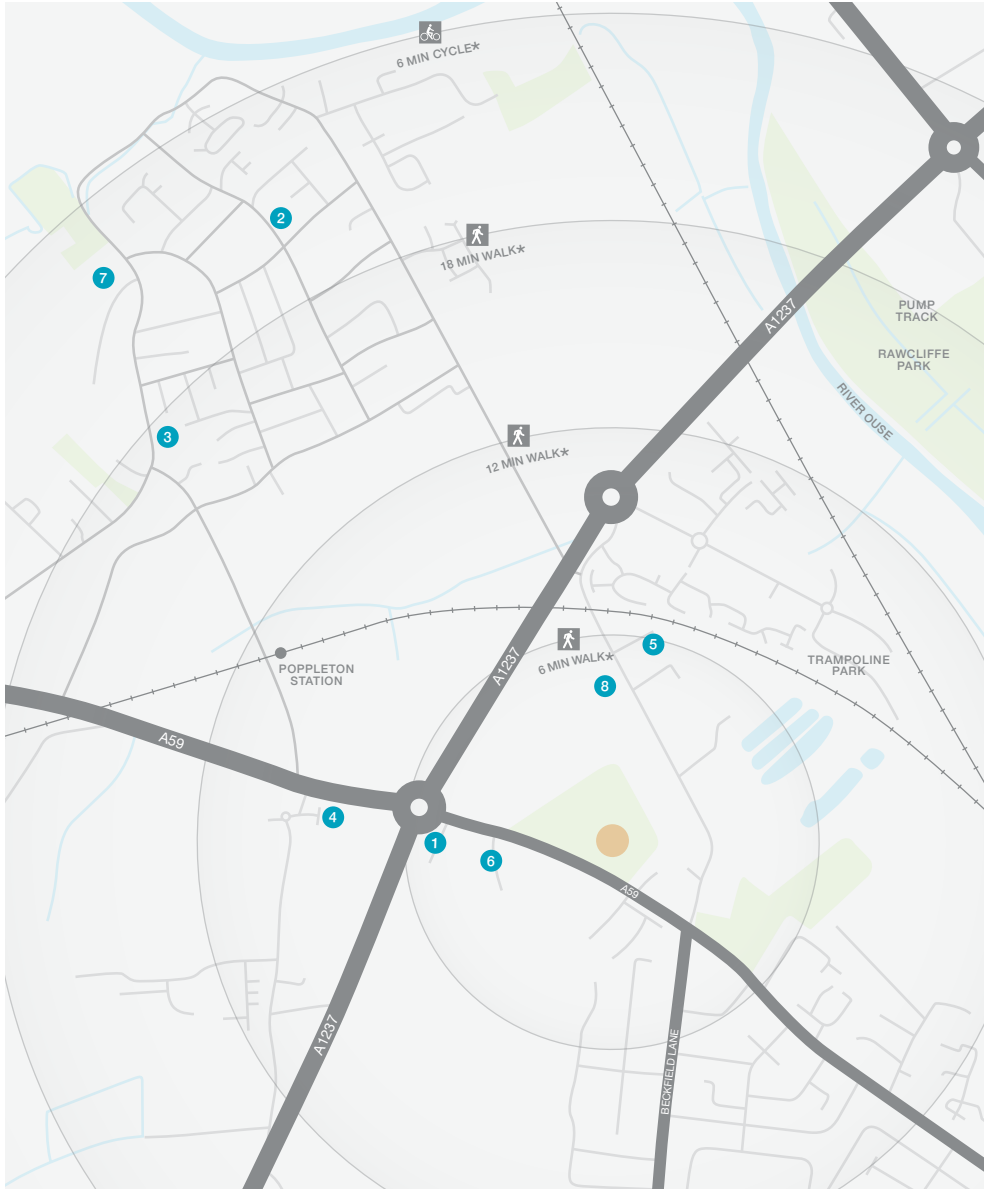

Four hundred yards away there is a 24-hour M&S Food store. More local shops and takeaways, including pharmacies and a post office, can be found within walking distance, and a large precinct at Acomb, a mile and a half away, presents a comprehensive choice of shops and services. Leisure amenities include two gyms within half a mile of Langley Gate.

Lavender Grove Surgery, the closest of several nearby medical centres, is complemented by a wide choice of dental practices. Muddy Boots Nursery, just across the road, takes children from six weeks to five years old, and the development is in the catchment area for Poppleton Ousebank Primary School, rated 'Outstanding' by Ofsted, and for York High School. In addition, the nearby Manor Academy, a Church of England secondary school, holds an 'Outstanding' Ofsted rating.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
