

SPRING WOOD PARK

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Just seven miles from the centre of Leeds, the picturesque village of Bramhope is highly sought after for its very special blend of wide horizons, welcoming community, and excellent local amenities. This beautifully landscaped selection of prestigious two, three, four and five bedroom homes, sheltered by mature woodlands and just yards from the A660, presents a unique opportunity to enjoy a rural pace of life in a remarkably convenient location. Three distinct character areas will bring added choice and style to the development with a wonderful range of house styles and finishes.

Welcome to Spring Wood Park...

Character Areas

The Pines

The Pines area courses through the heart of Spring Wood Park. The homes in this character area emulate the traditional stone finish and slate roof homes familiar across rural Yorkshire.

The Willows

The homes in The Willows character area will have a warm brick finish and stone effect window sills to the front elevation. Selected properties will also have a splayed bay window with a lead effect roof, all to add an air of simple elegance.

The Sycamores

The Sycamores character area wraps around the outer perimeter of the development. The homes here will have a predominantly white render finish, complemented by feature stone below plinth level.

Just ten minutes' stroll from the village centre, Spring Wood Park has a peaceful ambience that contrasts with its convenience. The A660 brings the centre of Leeds within 20 minutes' drive, and bus services between Leeds and Ilkley stop beside the development. The area has a network of foot and cycle paths, while for travel further afield Spring Wood Park is just four miles from Leeds Bradford International Airport.

Shops and services within a few yards of the development include a convenience store, a family butcher, an off-licence specialising in fine wines, an independent coffee shop and a delicatessen. The village has a pharmacy, a bakery, a newsagent, a gift shop, food takeaways, hairdressers, and a historic pub and restaurant, the Fox and Hounds. There are also two farm shops within walking distance, and a wider choice, including a large Co-op with post office facilities, can be found in Adel, just two miles away.

Much of community life focuses on the Village Hall, which hosts a diversity of activities and events for all ages, from playgroups to art classes, yoga, theatre, and the annual Village Show. The hall is flanked by tennis and bowling clubs, both of which welcome new members, and there is a cricket club at the west end of the village and a rugby club just a few yards from Spring Wood Park. The well-equipped playground in the village is set in a delightful wooded park.

The Miller Difference

We're enormously proud of the homes we've been building for the last 85 years, and throughout that time we've been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we've seen many generations of families enjoy our homes and developments, and we've seen the happy, thriving communities they've become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We're proud of the independent surveys that consistently show our high levels of customer satisfaction. That's the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it's designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we'll listen to you right from the start. From the day you first look around a showhome until long after you've moved in, we're here to offer help and support. We've been doing this a long time so we have a vast amount of experience to draw on.

We don't want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It's a customer journey that has taken 85 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you'll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your Site Manager, who will supervise the build of your home and answer your questions along the way.

We'll invite you to a pre-plaster meeting with your Site Manager during the construction of your new home, where you'll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we've finished building it.

A Better Place

We don't just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you've moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that's how we've built a business that goes from strength to strength.

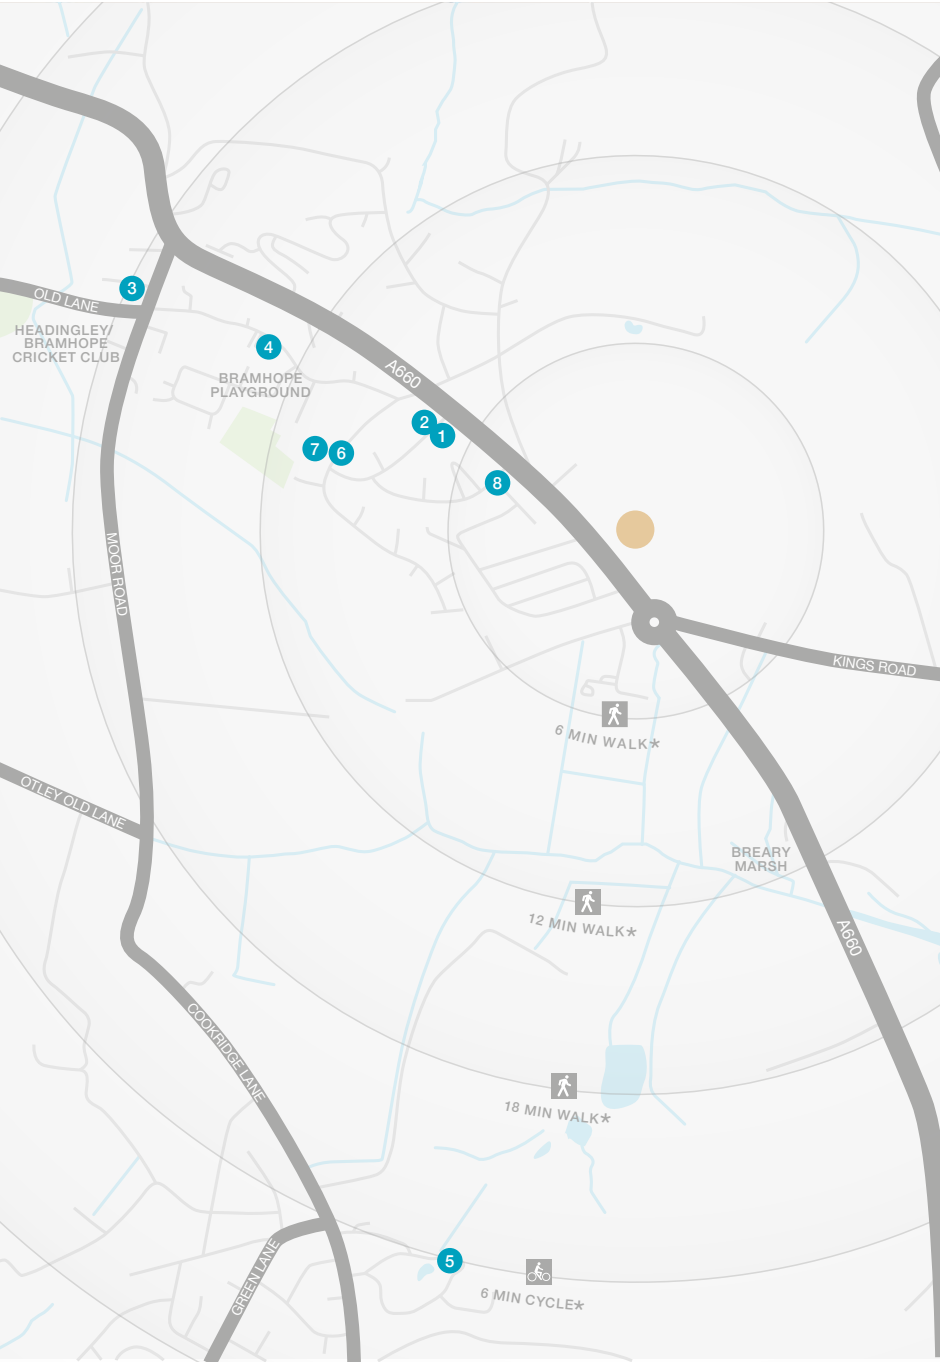

The beautiful surrounding countryside includes nearby nature reserves at Otley Chevin Forest Park, Breary Marsh and Adel Dam, the last two flanking the wonderful Golden Acre Park. The Park, which includes lakeside walks, gardens and a cafe, is a starting point for the long-distance Leeds Country Way and the shorter Meanwood Valley Trail. Cookridge Hall and Headingley golf clubs are both within three miles.

Bramhope Primary School is just over half a mile from Spring Wood Park, on a spacious site with playing fields and a wildlife garden. The school, which has an associated nursery on site, is recognised as 'Outstanding' by Ofsted. Bramhope Primary is a feeder school for Prince Henry's Grammar School in nearby Otley, a highly regarded secondary with specialist language college status. Health services include a large full-time surgery near the Primary School and there are dental surgeries in Holt Park and Otley, and an optician within a few minutes' walk of Spring Wood Park.

From Leeds
Leave Leeds by the A660 Headingley Lane, and stay on the A660 through Headingley. At the junction just after passing the Village hotel and gym on the right, bear right to stay on the A660. Follow the A660 through the next roundabout and for a further three miles. Three hundred yards beyond the roundabout on the edge of Bramhope, Spring Wood Park is on the right.

From Bradford
Leave Bradford by the A658 Harrogate Road following signs for the airport. Go through the underpass at the airport and stay on the A658 for another two miles, then at the crossroads with traffic lights turn right to join the A660, signposted for Leeds. Follow the A660 for one and a half miles, as the road goes through Bramhope, and around 300 yards after passing the optician's shop that stands on the right, Spring Wood Park is on the left.

Development
Opening Times:
Thursday - Monday
10.30am - 5.30pm

03301 736 936

* Times stated are averages based on approximate distances and would be dependent on the route taken.

Based on:
0.5km = 5 to 7 mins walk
1.0km = 10 to 14 mins walk
1.5km = 15 to 21 mins walk
2.0km = 5 to 8 mins cycle

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it. We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

Important Notice:
Although every care has been taken to ensure the accuracy of all the information given, the contents do not form part of any contract, or constitute a representation or warranty, and, as such, should be treated as a guide only. Interested parties should check with the Development Sales Manager and confirm all details with their solicitor. The developer reserves the right to amend the specification, as necessary, without prior notice, but to an equal or higher standard. Please note that items specified in literature and showhomes may depict appliances, fittings and decorative finishes that do not form part of the standard specification. The project is a new development which is currently under construction. Measurements provided have not been surveyed on-site. The measurements have been taken from architect's plans, and, as such, may be subject to variation during the course of construction. Not all the units described have been completed at the time of going to print and measurements and dimensions should be checked with the Development Sales Manager and confirmed with solicitors.
