Suds Basin

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

How to find us	48

Combining the practical advantages of a well-planned modern residential area with some wonderful local parks, and within easy reach of the cultural amenities and nightlife of Glasgow city centre, these energy efficient contemporary homes present a rare opportunity to enjoy peaceful surroundings and open horizons in an outstandingly convenient location. Just three-quarters of a mile from the M80, the neighbourhood is superbly situated for access to the whole of central Scotland. Welcome to Wallace Fields...

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Wallace Fields.

Just five minutes drive from the M80, Wallace Fields is outstandingly convenient for travel throughout the Central Belt, with fast access to Stirling and Falkirk as well as the west coast. It is also in easy reach of the superb diversity of cinemas, theatres, museums, galleries and live music venues to be found throughout Glasgow. Robroyston is linked to the city centre by several bus routes, including the N57 night service at weekends.

The area is close to some wonderful outdoor amenities. Robroyston Park, just a mile to the west, is a 50-hectare expanse of natural green landscapes with a pond, wetlands and woods that support a rich mixture of wildlife. Much of it is a designated Local Nature Reserve. To the south, the Seven Lochs Wetland Park covers 20 square miles of lochs, parkland and woods traversed by miles of walking and cycle paths. The park is a magnificent resource for watching wildlife or simply unwinding. For golfers, the beautiful parkland courses at Lethamhill and Littlehill are both within easy reach.

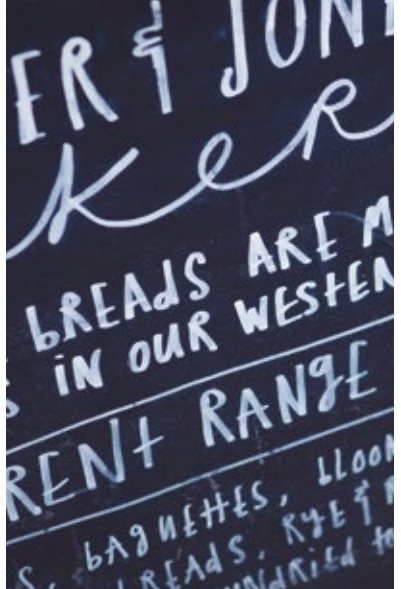

There are several local youth organisations, including Boys/Girls' Brigades and Guides, and Wallacewell Primary School hosts a number of extra-curricular activities such as drama, karate, gymnastics, dance and zumba classes.

The Wallace Well retail park at Monument Drive, ten minutes walk from Wallace Fields, includes a 24 hour Asda Superstore which incorporates a petrol station and a pharmacy that opens till 10pm on weekdays. There are also recycling facilities for glass, textiles, paper and most household packaging in the car park. Other shops at Wallace Well include a large Homebase with a garden centre, and branches of Currys, B&M, Watt Brothers department store and McDonalds. In addition, a Pure Gym fitness centre is on your doorstep. There is a large Aldi store just over a mile to the west of the development, and the local post office is located in Broomton Road.

# The Miller Difference

## The Miller Difference

We're enormously proud of the homes we've been building for the last 80 years, and throughout that time we've been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we've seen many generations of families enjoy our homes and developments, and we've seen the happy, thriving communities they've become.

### Trust

For us, the most important people are the customers who buy our homes and raise their families in them. We have a five star rating (that's the best possible) for Customer Satisfaction from the Home Builders Federation.

Even better, in our independent customer satisfaction surveys, 97% said they would recommend us to their best friend. That's the real barometer of our quality, our service and the trust people place in us.

### Helping where we can

We invest everything into your customer journey – it's designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we'll listen to you right from the start. From the day you first look

around a showhome until long after you've moved in, we're here to offer help and support. We've been doing this a long time so we have a vast amount of experience to draw on.

We don't want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

### Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It's a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

### Keeping you involved

First you'll meet your sales adviser who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We'll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you'll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we've finished building it.

### A Better Place

We don't just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique [www.mymillerhome.com](http://www.mymillerhome.com) website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you've moved in.

### For your future

For us, success is building exceptional homes, in sustainable communities. And that's how we've built a business that goes from strength to strength.

"Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me."

Chris Mackenzie  
Miller Home Owner

"We are so impressed with the exceptional customer service and quality of our home that we've recommended Miller Homes to a friend."

Helen Mascrop  
Miller Home Owner

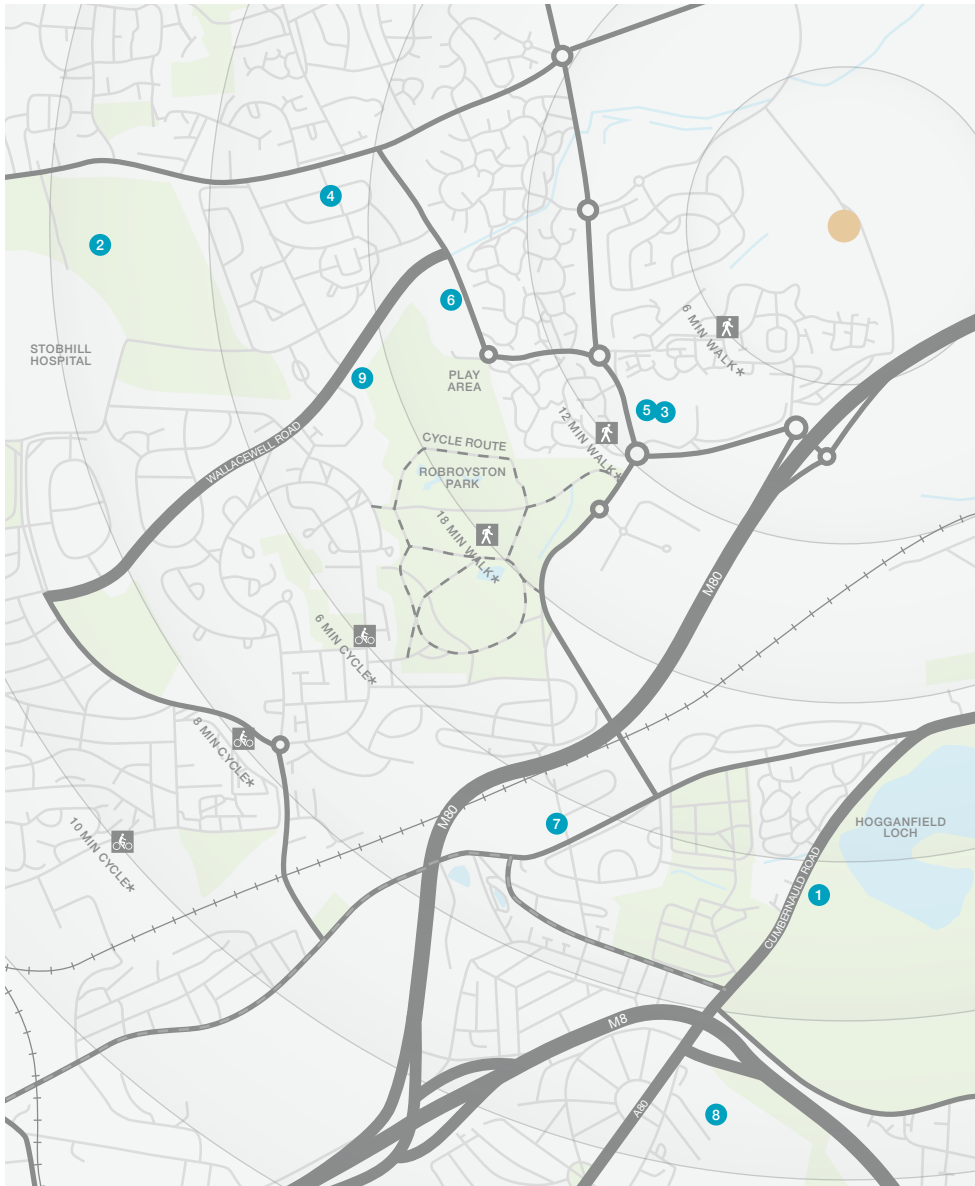

Wallace Fields is in the catchment area for Wallacewell Primary School, around a mile to the west of the development, and St Philomena's RC Primary in Provanmill, a mile and a half away. The high schools serving the area are Smithycroft Secondary and St Roch's RC Secondary schools. Please refer to local council office for confirmation. Nearby GP surgeries include Wallacewell Medical Centre, and there is also a choice of dentists, the nearest being Woodhill Dental Practice, a little under two miles away.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

The homes we build are the foundations of sustainable communities that will flourish for generations to come. We work in harmony with the natural environment, protecting and preserving it wherever we can. With our customers, colleagues and partners, we strive to promote better practices and ways of living. We're playing our part in making the world A Better Place.

## Why Miller?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on Regency Satin. Regency Satin is Carbon Balanced and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products, like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
