A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

## Welcome to Scholars Gate

With its convenient location and transport links, the village of Shiny Row combines easy travel through the whole of the North East with proximity to some outstanding local parks and open spaces. Set on the eastern edge of the community, Scholars Gate brings a selection of attractive, energy-efficient two, three, four and five bedroom homes into a pleasant residential setting within a short walk of local amenities and just half a mile from Herrington Country Park.

### We care about you

Every year, we help thousands of homebuyers to make the move. We understand what matters to you. And that's what matters to us. You can be sure we'll do everything we can to make your homebuying experience stress-free and as enjoyable as possible.

### Be Happy

We want you to love living in your new home. That's why everything is built around you. Your complete satisfaction is the only way we know we're getting things right. In fact, during 2015, 94% of customers said they'd recommend Miller Homes to their best friend. To check our latest performance results see our website.

## Living in Shiney Row

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Scholars Gate.

### Leisure & Recreation

The Philadelphia, a family-friendly local with a children's play area and live music twice a month, is just quarter of a mile from Scholars Gate, and the nearby Philadelphia Cricket and Community Club hosts a number of fitness classes and community events. There is also a Sports Centre and Wellness Centre in Houghton-le-Spring that includes a modern gym, sports facilities, a skatepark and a soft play area for children.

### Transport

Scholars Gate is less than a mile from the intersection of the A182 and A183, and just three and a half miles from the A1(M), giving fast access to the whole region. The area is well served by buses linking the local communities, with several services passing along Philadelphia Lane, 350 yards from the development, and some running adjacent to Scholars Gate.

### Outdoor Activities

Scholars Gate is surrounded by parks, open green areas and sports grounds. Amongst the attractions, New Herrington Recreational Park incorporates a playground and sports pitches, and the magnificent Herrington Country Park, one of the largest parks in Sunderland and home to miles of walks and cycle trails as well as special events and open-air concerts, is just half a mile away. Penshaw Monument, a striking local landmark visible from miles around, is a pleasant half-mile walk from the park, and there is also an 18-hole parkland golf course at Houghton-le-Spring.

The village also has a selection of food takeaways, specialist shops and services such as hairdressers. There is a wider selection in the town centre of Houghton-le-Spring, two miles away, and in historic Chester-le-Street, a four-mile trip, where the modern St Cuthbert's Walk Shopping Centre contrasts with the local speciality shops and the thrice-weekly markets. The vast retail choices at The Galleries in Washington, and The Bridges in Sunderland are also within easy reach.

### Recycling Facilities

Recycling bins in the car park of the Shoulder of Mutton pub, a few minutes' walk from Scholars Gate, accept most household waste including glass, paper and cardboard, textiles, metal cans and plastic bottles.

### Education & Health

Shiney Row Primary, around 600 yards from Scholars Gate and reached via off-road footpaths, was recently assessed by Ofsted as a good school with a positive ethos and effective leadership. Pupils from Shiney Row normally move on to Kepier School in Houghton-le-Spring, a specialist Sports College with academy status, again rated by Ofsted as a good school. There are two medical practices within a few minutes' walk, and a choice of dentists in Houghton-le-Spring.

### **a better place\***

The homes we build are the foundations of sustainable communities that will flourish for generations to come. We work in harmony with the natural environment, protecting and preserving it wherever we can. With our customers, colleagues and partners, we strive to promote better practices and ways of living. We're playing our part in making the world A Better Place.

## Why Miller?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
