Existing Development

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Informational plaque on the ground.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Fairfield Gardens.

Around half a mile from the A557 and two and a half from the M62, Fairfield Gardens is well situated for travel throughout the North West. The development is less than half a mile from Widnes Railway Station, from where there are frequent direct services to Liverpool and Manchester, 25 and 45 minutes away respectively, as well as to Nottingham and Norwich. There are also direct services to London Euston from neighbouring Runcorn. Buses between Widnes town centre and Runcorn, St Helens, Huyton and Liverpool pass along Peel House Lane, adjacent to Fairfield Gardens, and Liverpool John Lennon Airport is less than seven miles away.

There are several green spaces nearby, including Victoria Park with its pond and children's play area, and sports and play facilities at Crow Wood Park. Widnes Golf Club is just a mile from Fairfield Gardens, and Kingsway Leisure Centre includes swimming and teaching pools, squash courts, a cycling studio and a gym. Widnes also has a popular trampoline park, and the Hive Leisure Park, on the southern edge of the town, includes a bowling alley, multiplex cinema, ice rink and a choice of bars and restaurants.

Occupying a very special site in a popular residential area of Widnes, just a short walk from the vibrant town centre with its mix of traditional markets and contemporary malls yet with all the benefits of easy access to the M62 and excellent transport links with Liverpool and other major centres, Fairfield Gardens presents a beautifully landscaped selection of two, three and four bedroom homes arranged around a welcoming tree-lined avenue. Welcome to Fairfield Gardens...

# The Miller Difference

## The Miller Difference

We're enormously proud of the homes we've been building for the last 80 years, and throughout that time we've been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we've seen many generations of families enjoy our homes and developments, and we've seen the happy, thriving communities they've become.

### Trust

For us, the most important people are the customers who buy our homes and raise their families in them. We have a five star rating (that's the best possible) for Customer Satisfaction from the Home Builders Federation.

Even better, in our independent customer satisfaction surveys, 94% said they would recommend us to their best friend. That's the real barometer of our quality, our service and the trust people place in us.

### Helping where we can

We invest everything into your customer journey – it's designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we'll listen to you right from the start. From the day you first look

around a showhome until long after you've moved in, we're here to offer help and support. We've been doing this a long time so we have a vast amount of experience to draw on.

We don't want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

### Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It's a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

### Keeping you involved

First you'll meet your sales adviser who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We'll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you'll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we've finished building it.

### A Better Place

We don't just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique [www.mymillerhome.com](http://www.mymillerhome.com) website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you've moved in.

### For your future

For us, success is building exceptional homes, in sustainable communities. And that's how we've built a business that goes from strength to strength.

"Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me."

Chris Mackenzie  
Miller Home Owner

"We are so impressed with the exceptional customer service and quality of our home that we've recommended Miller Homes to a friend."

Helen Mascrop  
Miller Home Owner

Five minutes walk to the north, there is a local shopping area with a Co-op food store and post office, food takeaways, hairdressers and other services. The main shopping area starts around half a mile to the south and extends into the pedestrianised town centre and Albert Square precinct. It includes a lively mixture of environments, from high street stores in the Widnes Shopping Park to popular indoor and outdoor markets. There are several bottle banks near the development, including one at the Ring O'Bells pub, and a more comprehensive recycling facility at the Morrisons store in the town centre.

Fairfield Gardens is just a few yards from Beaconsfield Primary Care Centre, which houses a large GP practice as well as a late night pharmacy, and there is a dental surgery a few minutes walk away in Peel House Lane. Fairfield Junior and Infant schools, assessed as 'Good' by Ofsted, and St Bede's RC Junior and Infant schools, rated 'Outstanding', are both within a short walk. The secondary schools, St Peter and Paul RC College, an Ofsted 'Good' school, and Wade Deacon High, which achieved a remarkable 'Outstanding' status in every aspect of its inspection, are both less than a mile from the development.

## Why Miller?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products. Like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
